

The 2013 Ruth & Lovett Peters Fellowship

Focusing on Education Policy

PIONEER INSTITUTE
PUBLIC POLICY RESEARCH

Pioneer Institute is thrilled to announce a fellowship opportunity for a current or recent graduate student with a passionate interest in education policy and strong entrepreneurial and analytic skills. Fellows, who carry the title of Ruth and Lovett Peters Fellow, will develop a broad range of research and public policy skills; they will also have an opportunity to devise and complete a “Lead” project, which can consist of research or a practical policy project.

Lovett C. Peters (1913-2010) was Pioneer’s Founding Chairman. With a grand vision, but only a skeleton staff, the man known as “Pete” began Pioneer in 1988. Since then, it has grown steadily, along with its influence. Before founding Pioneer, Pete had a long, successful business career, which included executive positions at Energy Ventures, Conoco and Bankers Trust. He was a recipient of the Roe Award from the State Policy Network, a member of the Mont Pelerin Society and a trustee of Hillsdale College. A 1936 graduate of Yale, Pete also held an honorary degree from Nichols College.
