Introduction

Navigating through Regulations and Licensing Requirements: A Guide for Fitchburg Entrepreneurs designed to provide a quick grasp of the requirements for starting a business in the City of Fitchburg. The guide presents the most efficient paths to full compliance with existing regulations.

This publication will be of use to a variety of groups:

- Individuals who would like to start a sole proprietorship business in Fitchburg
- Agencies, both public and private, that advise and assist entrepreneurs in the start-up stage
- Research organizations interested in business development and small business regulatory policy

The guide provides step-by-step instructions for starting a business in 20 selected business types in Fitchburg. For each business type, there is a checklist of all the permits, licenses, and forms required and detailed steps on how to meet local, state, and federal requirements. Subsections addressing business plans, zoning, and insurance are numbered in both in checklist format and in detailed steps to facilitate use of the guide. For example, to find information on licensing users can initially get a brief overview of required processes at Step 4 on the checklist, then can refer Step 4 in the Detailed Steps section for in-depth information.

There are two appendices attached:

- **Appendix I** lists organizations that offer business assistance, accounting, financial, technical and other services to entrepreneurs.
- **Appendix II** offers an overview of the necessary steps that must be taken with state and federal authorities once the entrepreneur opts to hire additional employees.

We hope that entrepreneurs and business assistance professionals will find this guide easy to use and helpful in starting or assisting small businesses in Fitchburg.

User feedback is welcome. Please send all emails to Alla Yakovlev at ayakovlev@pioneerinstitute.org.

**Disclaimer**

The information contained in this guide is limited to the procedures and requirements for entrepreneurs who are starting sole proprietorships. This guide cannot reflect changes in federal, state, or municipal laws, rules, regulations, or filing fees that occur following its publication. While municipalities outside Fitchburg may have similar regulations, this guide only addresses the regulations and tax requirements in effect in Fitchburg. This guide should not be used for starting a business in other cities and towns.

1 BUSINESS PLAN

Draft a business plan. Business plans are part of a continuous process to define your business concept, understand your market, set goals and effectively meet client needs. Typically, plans encompass operational issues including, but not limited to, the following:

- What services and products will your business provide and what needs do these fulfill?
- Who is your target market and how will you reach them?
- How will your company secure and repay financing?

This guide contains instructions for sole proprietors only. Additional steps are required if you plan to hire other individuals. For more information, visit the Massachusetts Department of Business and Technology website.

http://www.mass.gov/dbt

Or, contact the Central Massachusetts Regional Small Business Development Center for a detailed business plan guide with a sample business plan:

Clark University SBDC

Worcester, MA 01610
508-793-7615
http://www.clarku.edu/offices/sbdc

TIP: This guide concerns the regulations and licensing requirements for starting a sole proprietorship with no employees. If planning on hiring employees, please consult Appendix II, “Navigating the Regulations to Become an Employer”.

2 LOCATION

Choose a location for your business and draft a detailed floor plan for submission to the City of Fitchburg Building Commissioner along with the Form of Intent. The floor plan must show how the business or use is going to be set up within the principal structure.

3 ZONING AND PERMITTING

Visit the Building Commissioner at City Hall.

Building Commissioner
Fitchburg City Hall, 3rd Floor
718 Main Street
Fitchburg MA 01420
978-345-9596

File a Form of Intent. Along with the Form of Intent you must submit a floor plan that shows how the business or use is going to be set up within the principal structure, a certified plot plan showing adequate off street parking and setbacks to property lines, and the $15.00 filing fee. Be prepared to
provide an explanation about your business and intentions.

The **Building Commissioner** will review your application and write a **Zoning Determination** that will outline step-by-step what you need to do to proceed with your business. Follow the steps in the **Zoning Determination**.

Home Occupation is allowed by right in Fitchburg provided that it:
- Is conducted solely within a dwelling and solely by the person(s) occupying the dwelling as a primary residence;
- Is clearly incidental and secondary to the use of the premises for residential purposes;
- Does not produce offensive noise, vibration, smoke, dust, odors, heat, lighting, electrical interference, radioactive emission or environmental pollution;
- Does not utilize exterior storage of material or equipment;
- Does not exhibit any exterior indication, including signs, of its presence or any variation from residential appearance;
- Does not produce any customer, pupil, or client trips to the occupation site and has no nonresident employees;
- Is registered as a business with the City Clerk

If these conditions are not met, a home occupation may be allowed by **special permit** issued by the **Board of Appeals**.

Contact the **Fire Prevention Bureau** located at the **Fitchburg Fire Department** to determine whether additional permits or fire prevention systems are needed.

4 **LICENSING**

Visit the **City Clerk’s Office** to file for the appropriate licenses.

5 **BUSINESS CERTIFICATE**

You must complete a zoning check before a business certificate will be issued (see section 3).

5a. Prior to opening your business, you must file with the **Fitchburg City Clerk’s Office** for a Doing Business As (DBA) Certificate.

5b. After filling out the application, have it notarized. Return the completed and notarized form to the Fitchburg City Clerk’s office.
**TIP:** Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent record keeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 **TAXES**

Visit the Fitchburg City Assessor to file a Form of List. A Form of List is used to document the property owned by your business, so that it may be assessed and taxed by the city. Once you file a Form of List with the City Assessor, a time will be arranged to visit your place of business and assess it for city taxes. The office is open from 8:30am-4:30pm, Monday through Friday.

7 **MASSACHUSETTS DEPARTMENT OF REVENUE**

You must also file tax forms with the Massachusetts Department of Revenue (DOR). As a sole proprietor, you are most likely required to file two forms with the Massachusetts Department of Revenue:

- **Form 1** – Massachusetts Resident Income Tax Return (or Form 1 NR/PY for Non-Residents or Part-Year Residents)
- **Schedule C** – Profit or Loss from Business of Profession (self-employed)

A comprehensive guide to small business taxes, as well as online access to all applicable forms, can be found at the website:

[http://www.dor.state.ma.us/business/taxguide/toc.htm](http://www.dor.state.ma.us/business/taxguide/toc.htm)

For additional information, or to obtain the forms by mail, contact the Customer Service Bureau:

*Chelsea, MA 02150*
*617-887-MDOR (6367)*
*800-392-6089*
[http://www.mass.gov/dor](http://www.mass.gov/dor)

In addition to the Schedule C, if you plan to sell tangible goods, you must obtain Form ST-1 to register to pay Massachusetts state sales tax. Currently, the rate is five percent of taxable items sold.

Complete a *WebFile* for Business application at the DOR website, and in turn you will receive a Sales and Use Tax Registration Certificate (Form ST-1) to be displayed at your place of business.
For a clear and comprehensive introductory information pertaining to sales tax, refer to “A Guide to Sales and Use Tax” available in PDF file through the website:

http://www.dor.state.ma.us/publ/pdfs/sls_use.pdf

7a. Call the DOR’s Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

http://www.dor.state.ma.us/forms/formlist.htm

7b. After you have completed the forms, either file online, or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number. You must also file tax forms with the Massachusetts Department of Revenue (DOR). Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts’ sales tax.

8 INTERNAL REVENUE SERVICE

You must also file all necessary tax forms with the United States Internal Revenue Service. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

Typically, along with a basic Form 1040, you must file a Schedule SE form (15.3% Soc Security/Medicare Rate for Self-Employed filers) and a Federal Schedule C form (Taxed Profit or Loss from Business).

An introductory guide and access to all applicable forms are available through the IRS website:

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business’s needs. Visit the Building Commissioner to have answered any questions you may have.

9a. Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, “key man,” automobile, and home office.

9b. If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

## 4 LICENSING

Obtain all necessary licenses and permits

4a. Operating an auto repair shop requires that you deal properly with hazardous wastes such as waste oil, waste gasoline, and waste generated from degreasing auto parts. You must file the appropriate forms with the Massachusetts Department of Environmental Protection (DEP).

*Massachusetts Department of Environmental Protection*
*Central Regional Office*
*627 Main Street*
*Worcester, Massachusetts 01608*
*508-792-7650*
*dep.neroinfo@state.ma.us*
*[http://www.mass.gov/dep/about/regional.htm](http://www.mass.gov/dep/about/regional.htm)*

You will also need to register with the DEP as a generator of hazardous waste and/or waste oil. Complete the Hazardous Waste Generator Registration Form for Very Small Quantity Generators (VSQG) if your business generates less than 220 pounds of hazardous waste and/or 27 gallons of waste oil per month. You can download the form from the DEP website:

*[http://mass.gov/dep/recycle/approvals.htm#gen](http://mass.gov/dep/recycle/approvals.htm#gen)*

If your business will be a Small Quantity Generator (SQG) of hazardous waste and/or waste oil (220-2,200 pounds or 27 to 270 gallons per month) or a Large Quantity Generator of hazardous waste and/or waste oil (more than 2,200 pounds and/or 270 gallons per month), you need to file a Notification of Hazardous Waste Activity Form. Go to DEP’s website:

*[http://www.mass.gov/dep](http://www.mass.gov/dep)*

Click on the e-DEP icon, and register with e-DEP. Log in, then click online forms.
The Notification of Waste Activity is in the drop down list. You will be prompted for your EPA ID number and your Tax ID number.

If DEP does not have this information on file for your facility, or if you do not have an EPA ID number, you should submit the “RCRA Notification of HW Activity Preliminary Form.” DEP will use the information from the preliminary form to set up your facility, and will send back an email with the code needed to complete the notification. As a Fitchburg business owner, you will need to return the completed form to the DEP Central Office (Attn: BWP). The Office is open from 8:45am to 5:00pm, Monday through Friday, except state holidays.

If spray painting will be performed on site, MassDEP requires auto body/repair businesses to comply with air pollution control regulations to minimize Emissions of volatile organic compounds (VOCs) and other pollutants. Call the MassDEP Central Regional Service Center at 508-946-2714 and ask to speak to a BWP permit engineer or inspector to understand your compliance options." For additional information on technical compliance, vendors, pollution prevention, and cost reduction at your shop, download the EPA’s publication “Auto refinishing best practices kit” available at:

http://www.epa.gov/opptintr/dfe/pubs/auto/trainers/index.htm

Contact the Office of Technical Assistance for Toxics Use Reduction guidance manual, "Crash Course for Compliance and Pollution Prevention " (October, 1998) available online in both English and Spanish versions at:

4b. Additional licenses are required through the Massachusetts Division of Standards if you plan to sell antifreeze, motor fuel and/or lubricating oil. Applications for these permits can be downloaded at the Division of Standards website. Alternatively, you may also call the Division of Standards to request a paper copy. 1 BUSINESS PLAN

Draft a business plan. Business plans are part of a continuous process to define your business concept, understand your market, set goals and effectively meet client needs. Typically, plans encompass operational issues including, but not limited to, the following:

- What services and products will your business provide and what needs do these fulfill?
- Who is your target market and how will you reach them?
- How will your company secure and repay financing?

In order to own a barber shop, you must either be a licensed master barber and serve as a manager, or have a manager who is a full-time employee and a licensed barber. This guide contains instructions for sole proprietors only. Additional steps are required if you plan to hire other individuals. For more information, visit the Massachusetts Department of Business and Technology website.

http://www.mass.gov/dbt

Or, contact the Central Massachusetts Regional Small Business Development Center for a detailed business plan guide with a sample business plan:

Clark University SBDC  
950 Main Street  
Worcester, MA 01610  
508-793-7615  
http://www.clarku.edu/offices/sbdc

**TIP:** This guide concerns the regulations and licensing requirements for starting a sole proprietorship with no employees. If planning on hiring employees, please consult Appendix II, “Navigating the Regulations to Becoming an Employer”.

**Note:** There is an issue if the barber shop rents chairs. Care must be taken to meet workmen’s compensation insurance requirements and liability insurance requirements.

2 LOCATION

Choose a location for your business and draft a detailed floor plan for submission to the Board of Registration of Barbers. If you plan to make repairs or do renovations, the floor plan should show what the property would look like when the work is complete. The floor plan does not need to be prepared professionally, but must show all planned rooms, equipment, both front and back doors, bathrooms and sinks, and shop set-up.

Board of Registration of Barbers  
Massachusetts Division of Professional Licensure  
239 Causeway Street, Suite 500  
Boston, MA 02114  
617-727-7367

You must also indicate where the barber pole or decal will be located (legally required to be on a
window or door that is clearly visible to the public). Don’t forget to include your name; two
numbers where you can be contacted, the shop address (not a post office box), and the anticipated
opening date. If you are purchasing an already licensed shop you will either need to submit a copy
of the original license or the name and license number of the previous shop owner with your floor
plan. Your name, home address, shop location address, and day and night telephone numbers must
also all be included on the face of the floor plan. The license number and name of the master
barber who is in charge must also be on the face of the floor plan.

3 ZONING AND PERMITTING

Visit the Building Commissioner at City Hall.

Building Commissioner
Fitchburg City Hall, 3rd Floor
718 Main Street
Fitchburg MA 01420
978-345-9596

File a Form of Intent. Along with the Form of Intent you must submit a floor plan that shows
how the business or use is going to be set up within the principal structure, a certified plot plan
showing adequate off street parking and setbacks to property lines, and the $15.00 filing fee. Be
prepared to provide an explanation about your business and intentions.

The Building Commissioner will review your application and write a Zoning Determination
that will outline step-by-step what you need to do to proceed with your business. Follow the steps
in the Zoning Determination.

Contact the Fire Prevention Bureau located at the Fitchburg Fire Department to determine
whether additional permits or fire prevention systems are needed.

Fire Headquarters
33 North Street
Fitchburg MA 01420
978-345-9672

4 LICENSING

Every barbershop must be under the supervision of a licensed master barber during hours of
operation and have a barbershop license.

4a. To become a master barber, you must be a licensed apprentice for at least 18 months. Then
you may request an application from the Board of Registration of Barbers. Visit the office
in person to present a copy of your apprentice license and discuss the application process.
Before you can become a Master Barber, you will also be required to take a computer
based assessment test and a practical examination. After pre-approval by the Board or your
school, call Promissor to schedule an appointment at 1-800-274-2021. For further
information contact the Board of Barbers or visit their website:

http://www.mass.gov/dpl/boards/br/default.htm

4b. To apply for a license for your shop from the Board of Registration of Barbers, submit two
copies of your shop floor plan, a new shop application, a copy of your occupancy permit,
and the non-refundable application and license fee to the Board, attn: New Shop.

4c. After your application has been reviewed, the shop-opening investigator will contact you. If your floor plan is approved, the investigator will schedule an inspection appointment with you. If you miss this inspection appointment, your shop application will automatically be denied and you will have to reapply and re-pay the fee. On the day of your inspection appointment, you will need a driver’s license or photo ID and a current copy of 232 CMR, the Board of Barbers Rules and Regulations. The rules and regulations can be obtained from the Statehouse Bookstore, 617-727-2834, or online at:

http://www.mass.gov/dpl/boards/br/cmr/232201.htm

The shop inspector will look for several critical things in your shop:

- hot and cold running water
- a sink or sinks capable of disposing of all wastewater
- an available bathroom, with a toilet and an adequate sink for hand washing
- a sink for hand washing in addition to the bathroom sink
- proper lighting and ventilation.

If the inspector finds the facility up to code, then he/she will allow the shop to open and the registration board will issue a license for the barbershop. Licenses for barbershops are renewed biennially.

5 BUSINESS CERTIFICATE

You must complete a zoning check before a business certificate will be issued (see section 3).

5a. Prior to opening your business, you must file with the Fitchburg City Clerk’s Office for a Doing Business As (DBA) Certificate.

City Clerk
Room 117
Fitchburg City Hall
718 Main Street
Fitchburg MA 01420
978-345-9592

5b. After filling out the application, have it notarized. Return the completed and notarized form to the Fitchburg City Clerk’s office.

**TIP:** Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 TAXES
Visit the **Fitchburg City Assessor** to file a Form of List. A Form of List is used to document the property owned by your business, so that it may be assessed and taxed by the city. Once you file a Form of List with the City Assessor, a time will be arranged to visit your place of business and assess it for city taxes. The office is open from 8:30am-4:30pm, Monday through Friday.

City Assessor  
Fitchburg City Hall  
718 Main St  
Fitchburg, MA 01420  
978-345-9562

7 **INTERNAL REVENUE SERVICE**

You must also file all necessary tax forms with the **United States Internal Revenue Service**. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

Typically, along with a basic Form 1040, you must file a *Schedule SE* form (15.3% Soc Security/Medicare Rate for Self-Employed filers) and a Federal *Schedule C* form (Taxed Profit or Loss from Business).

An introductory guide and access to all applicable forms are available through the IRS website:

http://www.irs.gov/businesses/small/article/0,,id=115043,00.html

Internal Revenue Service  
120 Front Street  
Worcester, MA 01608  
508-793-8227  

8 **MASSACHUSETTS DEPARTMENT OF REVENUE**

You must also file tax forms with the **Massachusetts Department of Revenue (DOR)**. As a sole proprietor, you are most likely required to file two forms with the Massachusetts Department of Revenue:

- **Form 1** – Massachusetts Resident Income Tax Return (or Form 1 NR/PY for Non-Residents or Part-Year Residents)
- **Schedule C** – Profit or Loss from Business of Profession (self-employed)

A comprehensive guide to small business taxes, as well as online access to all applicable forms, can be found at the website:

http://www.dor.state.ma.us/business/taxguide/toc.htm

For additional information, or to obtain the forms by mail, contact the Customer Service Bureau:
In addition to the Schedule C, if you plan to sell tangible goods, you must obtain Form ST-1 to register to pay Massachusetts state sales tax. Currently, the rate is five percent of taxable items sold.

Complete a WebFile for Business application at the DOR website, and in turn you will receive a Sales and Use Tax Registration Certificate (Form ST-1) to be displayed at your place of business.

For a clear and comprehensive introductory information pertaining to sales tax, refer to “A Guide to Sales and Use Tax” available in PDF file through the website:

http://www.dor.state.ma.us/publ/pdfs/sls_use.pdf

8a. Call the DOR’s Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

http://www.dor.state.ma.us/forms/formlist.htm

8b. After you have completed the forms, either file online, or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number. You must also file tax forms with the Massachusetts Department of Revenue (DOR). Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts’ sales tax.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business’s needs. Visit the Building Commissioner to have answered any questions you may have.

9a. Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, “key man,” automobile, and home office.

9b. If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

- What services and products will your business provide and what needs do these fulfill?
- Who is your target market and how will you reach them?
- How will your company secure and repay financing?

Decide how many children you wish to care for, and to what age groups these children will belong. If the number exceeds six, the state requires that you employ an assistant who is licensed by the Massachusetts Department of Early Education and Care (DEEC) (see step 3).

This guide contains instructions for sole proprietors only. Additional steps are required if you plan to hire other individuals. For more information, visit the Massachusetts Department of Economic Development website.

TIP: This guide concerns the regulations and licensing requirements for starting a sole proprietorship with no employees. If planning on hiring employees, please consult Appendix II, “Navigating the Regulations to Become an Employer”

2 LOCATION
Draft a detailed floor plan, ensuring that your property conforms to DEEC guidelines. Note: address mentioned on the next page. If you plan to make repairs or do renovations, the floor plan should show what the property would look like when the work has been completed. The floor plan does need not be prepared professionally, but must show all planned furniture, doors, windows, equipment, plumbing, and electrical outlets. You must have a minimum of 150 square feet of usable indoor space if caring for one or two children and a minimum of 225 square feet of approved usable floor space if caring for three to six children.

Bathroom, hallways, and adult only zones do not count for square footage requirements.

2a. The following home safety questions need to be addressed in your child care providers’ license application and should be taken into consideration as you draft a floor plan.
Outdoor Space
- Are you using your own yard for an outdoor play area? Do you have at least 75 square feet per child? (required)
- Is the yard fenced, and, if so, how high is the fence? Is it on a busy street?
- Do you have a porch that is more than three feet high?
- Do you own a swimming pool (not a wading pool)? How is this pool kept safe for children?
- Do you have a private well? (Well water must pass State purity and quality tests)
- Is there standing water, steep drop offs, railroad tracks or other hazards on or near your property?

Indoor Space
- How many exits are in your home? Where are they located?
- Do you have smoke and carbon monoxide detectors on each floor of the establishment?
- Do you have a written evacuation plan in case of fire, gas leak, or other emergency?
- Do you have locks on all bathroom and closet doors? Are these locks easily opened from inside and out?
- Do you have to pass through someone else’s living space to leave the facility?
- Are all accessible windows securely screened, barricaded, or do they open only from the top?
- Is there a working flashlight on each floor of the home?
- Is there peeling, flaking, or chipped paint on the premises? Do you have broken plaster? (Must be addressed before you may operate a child care center.)
- Was your property constructed prior to 1978? Have you checked for lead paint? (Must be professionally removed before you may operate a child care center.)
- Do you keep firearms or ammunition in your home? How do you store these firearms and ammunition so they are inaccessible to children?
- Are all potentially hazardous materials (cleaning supplies, razors, cosmetics, medications, etc.) stored so they are inaccessible? The state will inspect the facility room by room to ensure this, particularly bathrooms and kitchens.
- Are all heating sources (e.g. radiators, hot water pipes, fuel-burning stoves, and fireplaces) inaccessible to children?
- Are all accessible unused electrical outlets covered?
- Are all stairways of four or more stairs barricaded? (Required when caring for children under three.) Do you have pressure gates? Where will they be located? (Not allowed at the top of stairs.)

2b. Your childcare facility must have an operable telephone. Next to the telephone a list of emergency telephone numbers (including Fire, Police, Ambulance, Poison Control Center, and the nearest emergency health care facility), the names and numbers of two emergency contacts, and your name, address, and phone number must be posted.

2c. Before you are permitted to open for business, DEEC will inspect your facility to determine if it meets state standards. The inspector will indicate any changes that need to be made to the property, or certifications you must obtain before you can open for business. Ask for copies of any paperwork from the inspection(s). If you are certified, your license will be valid for up to three years.

There are different requirements for center-based day care and home-based day care.
3 ZONING AND PERMITTING

Visit the Building Commissioner at City Hall.

Be prepared to provide an explanation about your business and intentions.

The Building Commissioner will review your application and write a Zoning Determination that will outline step-by-step what you need to do to proceed with your business. Follow the steps in the Zoning Determination.

4a. Complete the DEEC New Provider Orientation Program. DEEC has a number of Child Care Resource and Referral agencies (CCR&R) throughout Massachusetts. These organizations offer information, referral, education, training, technical assistance, and resource development to parents, child care providers, employers, and community groups.

4b. Request a copy of the Massachusetts Child Care Provider’s License for Home Providers application from DEEC or download the forms online:

The child care license application you should obtain will depend on the number and ages of children that you intend to watch in your home:

- **Regular Family Child Care License**: up to six children.
- **Family Child Care Plus License**: up to six children under the age of 7 and two children over the age of 7.
- **Large Family Child Care**: up to 10 children.

Different licenses are required for center based childcare. Before you submit the application to open your facility, there are number of requirements you will have to meet. For additional guidance, call the DEEC or read their electronic guide online:

4c. Submit the application and a signed check or money order in the amount of the licensing fee to DEEC as specified in the application packet.

*Note:* You will be required to maintain health and attendance records for each child that you or an assistant supervises. For more information on licensing and operating regulations, visit the DEEC website:

http://www.eec.state.ma.us/kr_regulations_main.aspx

*TIP:* Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 **TAXES**

Visit the **Fitchburg City Assessor** to file a Form of List. A Form of List is used to document the property owned by your business, so that it may be assessed and taxed by the city. Once you file a Form of List with the City Assessor, a time will be arranged to visit your place of business and assess it for city taxes. The office is open from 8:30am-4:30pm, Monday through Friday.
7 INTERNAL REVENUE SERVICE

You must also file all necessary tax forms with the United States Internal Revenue Service. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

Typically, along with a basic Form 1040, you must file a Schedule SE form (15.3% Soc Security/Medicare Rate for Self-Employed filers) and a Federal Schedule C form (Taxed Profit or Loss from Business).

An introductory guide and access to all applicable forms are available through the IRS website:

8 MASSACHUSETTS DEPARTMENT OF REVENUE

You must also file tax forms with the Massachusetts Department of Revenue (DOR). As a sole proprietor, you are most likely required to file two forms with the Massachusetts Department of Revenue:

Form 1 – Massachusetts Resident Income Tax Return (or Form 1 NR/PY for Non-Residents or Part-Year Residents)
Schedule C – Profit or Loss from Business of Profession (self-employed)

A comprehensive guide to small business taxes, as well as online access to all applicable forms, can be found at the website:

http://www.dor.state.ma.us/publ/pdfs/sls_use.pdf

8a. Call the DOR’s Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

http://www.dor.state.ma.us/forms/formlist.htm

8b. After you have completed the forms, either file online, or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number. You must also file tax forms with the Massachusetts Department of Revenue (DOR). Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts’ sales tax.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business’s needs. Visit the Building Commissioner to have answered any questions you may have.

9a. Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, “key man,” automobile, and home office.

9b. If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

1  BUSINESS PLAN

Draft a business plan. Business plans are part of a continuous process to define your business concept, understand your market, set goals and effectively meet client needs. Typically, plans encompass operational issues including, but not limited to, the following:

- What services and products will your business provide and what needs do these fulfill?
- Who is your target market and how will you reach them?
- How will your company secure and repay financing?

This guide contains instructions for sole proprietors only. Hiring other individuals requires that you take further steps and complicates your tax filing. For more information, visit the Massachusetts Department of Economic Development website.

http://www.mass.gov/dbt

Or, contact the Central Massachusetts Regional Small Business Development Center for a detailed business plan guide with a sample business plan:

Worcester, MA 01610

http://www.clarku.edu/offices/sbdc

TIP: This guide concerns the regulations and licensing requirements for starting a sole proprietorship with no employees. If planning on hiring employees, please consult Appendix II, “Navigating the Regulations to Become an Employer”.

2  LOCATION

Choose a location for your business and draft a detailed floor plan for submission to the City of Fitchburg Building Commissioner along with the Form of Intent. The floor plan must show how the business or use is going to be set up within the principal structure.

3  ZONING AND PERMITTING

Visit the Building Commissioner at City Hall.

Building Commissioner
Fitchburg City Hall, 3rd Floor
718 Main Street
Fitchburg MA 01420
978-345-9596

File a Form of Intent. Along with the Form of Intent you must submit a floor plan that shows how the business or use is going to be set up within the principal structure, a certified plot plan
showing adequate off street parking and setbacks to property lines, and the $15.00 filing fee. Be prepared to provide an explanation about your business and intentions.

The Building Commissioner will review your application and write a Zoning Determination that will outline step-by-step what you need to do to proceed with your business. Follow the steps in the Zoning Determination.

For home-based businesses:
Home Occupation is allowed by right in Fitchburg provided that it:
- Is conducted solely within a dwelling and solely by the person(s) occupying the dwelling as a primary residence;
- Is clearly incidental and secondary to the use of the premises for residential purposes;
- Does not produce offensive noise, vibration, smoke, dust, odors, heat, lighting, electrical interference, radioactive emission or environmental pollution;
- Does not utilize exterior storage of material or equipment;
- Does not exhibit any exterior indication, including signs, of its presence or any variation from residential appearance;
- Does not produce any customer, pupil, or client trips to the occupation site and has no nonresident employees;
- Is registered as a business with the City Clerk

If these conditions are not met, a home occupation may be allowed by special permit issued by the Board of Appeals.

Contact the Fire Prevention Bureau located at the Fitchburg Fire Department to determine whether additional permits or fire prevention systems are needed.

5  BUSINESS CERTIFICATE
You must complete a zoning check before a business certificate will be issued (see section 3).

5a. Prior to opening your business, you must file with the Fitchburg City Clerk’s Office for a Doing Business As (DBA) Certificate.

5b. After filling out the application, have it notarized. Return the completed and notarized form to the Fitchburg City Clerk’s office.

**TIP:** Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 **TAXES**

Visit the **Fitchburg City Assessor** to file a Form of List. A Form of List is used to document the property owned by your business, so that it may be assessed and taxed by the city. Once you file a Form of List with the City Assessor, a time will be arranged to visit your place of business and assess it for city taxes. The office is open from 8:30am–4:30pm, Monday through Friday.

7 **INTERNAL REVENUE SERVICE**

You must also file all necessary tax forms with the **United States Internal Revenue Service**. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

Typically, along with a basic Form 1040, you must file a Schedule SE form (15.3% Soc Security/Medicare Rate for Self-Employed filers) and a Federal Schedule C form (Taxed Profit or Loss from Business).

An introductory guide and access to all applicable forms are available through the IRS website:

8 **MASSACHUSETTS DEPARTMENT of REVENUE**

You must also file tax forms with the **Massachusetts Department of Revenue (DOR)**. As a sole proprietor, you are most likely required to file two forms with the Massachusetts Department of Revenue:
**Form 1** – Massachusetts Resident Income Tax Return (or Form 1 NR/PY for Non-Residents or Part-Year Residents)

**Schedule C** – Profit or Loss from Business of Profession (self-employed)

A comprehensive guide to small business taxes, as well as online access to all applicable forms, can be found at the website:

http://www.dor.state.ma.us/business/taxguide/toc.htm

For additional information, or to obtain the forms by mail, contact the Customer Service Bureau:

*800-392-6089*
*www.mass.gov/dor*

In addition to the Schedule C, if you plan to sell tangible goods, you must obtain Form ST-1 to register to pay Massachusetts state sales tax. Currently, the rate is five percent of taxable items sold.

Complete a *WebFile* for Business application at the DOR website, and in turn you will receive a Sales and Use Tax Registration Certificate (Form ST-1) to be displayed at your place of business.

For a clear and comprehensive introductory information pertaining to sales tax, refer to “A Guide to Sales and Use Tax” available in PDF file through the website:

http://www.dor.state.ma.us/publ/pdfs/sls_use.pdf

8a. Call the DOR’s Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

http://www.dor.state.ma.us/forms/formlist.htm

8b. After you have completed the forms, either file online, or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number. You must also file tax forms with the *Massachusetts Department of Revenue (DOR)*. Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts’ sales tax.

9 **INSURANCE**

Do a thorough risk assessment and determine what coverage best suits your business’s needs. Visit the **Building Commissioner** to have answered any questions you may have.
9a. Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, “key man,” automobile, and home office.

9b. If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

Bonding of employees is a form of insurance that is often used by cleaning services to demonstrate to their customers that the employees are reliable.

DETAILED STEPS

1 BUSINESS PLAN

Draft a business plan. Business plans are part of a continuous process to define your business concept, understand your market, set goals and effectively meet client needs. Typically, plans encompass operational issues including, but not limited to, the following:

- What services and products will your business provide and what needs do these fulfill?
- Who is your target market and how will you reach them?
- How will your company secure and repay financing?

In order to own a day spa that offers hair, nails, facials, massage, and tanning services, you must either be registered in cosmetology (covering hair-styling, skin-care, nail-care and make-up), aesthetics (covering facials, massage, waxing, and reflexology) and serve as a manager, or have at least one manager who is a full-time employee and licensed in cosmetology and aesthetics. This guide contains instructions for sole proprietors only. Additional steps are required if you plan to hire other individuals. For more information, visit the Massachusetts Department of Business and Technology website.

http://www.mass.gov/dbt

Or, contact the Central Massachusetts Regional Small Business Development Center for a detailed business plan guide with a sample business plan:

TIP: This guide concerns the regulations and licensing requirements for starting a sole proprietorship with no employees. If planning on hiring employees, please consult Appendix II, “Navigating the Regulations to Becoming an Employer”.

Note: There is an issue if the day spa rents chairs. Care must be taken to meet workmen’s compensation insurance requirements and liability insurance requirements.

2 LOCATION

Select a location for your shop and draft a detailed floor plan. If you plan to make repairs or do renovations, the floor plan should show what the property will look like when the work has been completed. The floor plan need not be prepared professionally, but must show all planned furniture, doors, windows, equipment, plumbing, and electrical outlets/equipment. Your name, home address, shop location address, and day and night telephone numbers must all be included with your floor plan.

2a. If this property is attached to your home, the shop and home must comply with the regulations of the Board of Registration of Cosmetologists, Massachusetts Division of Professional Licensure.
• In order to operate a salon from one’s home, one must have a room or rooms separated from the living quarters in the house, and there must be an available bathroom facility for employees and customers that is separate from the facility used by residents of the home.
• The door leading into the salon must be visible from the street and must not require customers to pass through the living quarters of the residence of the home.
• Home operation also requires licensure from the Division of Professional Licensure (see Step 9).

2b. A separate copy of the floor plan must be submitted to the City of Fitchburg Building Commissioner along with the Form of Intent.

3  
ZONING AND PERMITTING

Visit the Building Commissioner at City Hall.

Building Commissioner  
Fitchburg City Hall, 3rd Floor

Along with the Form of Intent you must submit a floor plan that shows how the business or use is going to be set up within the principal structure, a certified plot plan showing adequate off street parking and setbacks to property lines, and the $15.00 filing fee. Be prepared to provide an explanation about your business and intentions.

The Building Commissioner will review your application and write a Zoning Determination that will outline step-by-step what you need to do to proceed with your business. Follow the steps in the Zoning Determination.

For home-based businesses:

• Is conducted solely within a dwelling and solely by the person(s) occupying the dwelling as a primary residence;
• Is clearly incidental and secondary to the use of the premises for residential purposes;
• Does not produce offensive noise, vibration, smoke, dust, odors, heat, lighting, electrical interference, radioactive emission or environmental pollution;

• Does not exhibit any exterior indication, including signs, of its presence or any variation from residential appearance;
• Does not produce any customer, pupil, or client trips to the occupation site and has no nonresident employees;
• Is registered as a business with the City Clerk

If these conditions are not met, a home occupation may be allowed by special permit issued by the Board of Appeals.

Contact the Fire Prevention Bureau located at the Fitchburg Fire Department to determine whether additional permits or fire prevention systems are needed.

7 **INTERNAL REVENUE SERVICE**

You must also file all necessary tax forms with the [United States Internal Revenue Service](http://www.irs.gov). Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

Typically, along with a basic Form 1040, you must file a *Schedule SE* form (15.3% Soc Security/Medicare Rate for Self-Employed filers) and a Federal *Schedule C* form (Taxed Profit or Loss from Business).

An introductory guide and access to all applicable forms are available through the IRS website:

8 **MASSACHUSETTS DEPARTMENT OF REVENUE**

You must also file tax forms with the [Massachusetts Department of Revenue (DOR)](http://www.dor.state.ma.us). As a sole proprietor, you are most likely required to file two forms with the Massachusetts Department of Revenue:

*Form 1* – Massachusetts Resident Income Tax Return (or Form 1 NR/PY for Non-Residents or Part-Year Residents)
Schedule C – Profit or Loss from Business of Profession (self-employed)

A comprehensive guide to small business taxes, as well as online access to all applicable forms, can be found at the website:

http://www.dor.state.ma.us/business/taxguide/toc.htm

For additional information, or to obtain the forms by mail, contact the Customer Service Bureau:

In addition to the Schedule C, if you plan to sell tangible goods, you must obtain Form ST-1 to register to pay Massachusetts state sales tax. Currently, the rate is five percent of taxable items sold.

Complete a WebFile for Business application at the DOR website, and in turn you will receive a Sales and Use Tax Registration Certificate (Form ST-1) to be displayed at your place of business.

For a clear and comprehensive introductory information pertaining to sales tax, refer to “A Guide to Sales and Use Tax” available in PDF file through the website:

http://www.dor.state.ma.us/publ/pdfs/sls_use.pdf

8a. Call the DOR’s Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

http://www.dor.state.ma.us/forms/formlist.htm

8b. After you have completed the forms, either file online, or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number. You must also file tax forms with the Massachusetts Department of Revenue (DOR). Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts’ sales tax.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business’s needs. Visit the Building Commissioner to have answered any questions you may have.

9a. Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, “key man,” automobile, and home office.

9b. If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

1 BUSINESS PLAN

Draft a business plan. Business plans are part of a continuous process to define your business concept, understand your market, set goals and effectively meet client needs. Typically, plans encompass operational issues including, but not limited to, the following:

- What services and products will your business provide and what needs do these fulfill?
- Who is your target market and how will you reach them?
- How will your company secure and repay financing?

This section contains instructions for entrepreneurs looking to start a home improvement business, including advice for aspiring contractors, electricians, HVAC technicians, and plumbers. This guide contains instructions for sole proprietor only. Additional steps are required if you plan to hire other individuals. For more information, visit the Massachusetts Department of Business and Technology website.

2 LOCATION

Choose a location for your business and draft a detailed floor plan for submission to the City of Fitchburg Building Commissioner along with the Form of Intent. The floor plan must show how the business or use is going to be set up within the principal structure.

3 ZONING AND PERMITTING

Visit the Building Commissioner at City Hall.

Building Commissioner
Fitchburg City Hall, 3rd Floor
718 Main Street
Fitchburg MA 01420

File a Form of Intent. Along with the Form of Intent you must submit a floor plan that shows
how the business or use is going to be set up within the principal structure, a certified plot plan showing adequate off street parking and setbacks to property lines, and the $15.00 filing fee. Be prepared to provide an explanation about your business and intentions.

The Building Commissioner will review your application and write a Zoning Determination that will outline step-by-step what you need to do to proceed with your business. Follow the steps in the Zoning Determination.

For home-based businesses:
Home Occupation is allowed by right in Fitchburg provided that it:
- Is conducted solely within a dwelling and solely by the person(s) occupying the dwelling as a primary residence;
- Is clearly incidental and secondary to the use of the premises for residential purposes;
- Does not produce offensive noise, vibration, smoke, dust, odors, heat, lighting, electrical interference, radioactive emission or environmental pollution;
- Does not utilize exterior storage of material or equipment;
- Does not exhibit any exterior indication, including signs, of its presence or any variation from residential appearance;
- Does not produce any customer, pupil, or client trips to the occupation site and has no nonresident employees;
- Is registered as a business with the City Clerk

If these conditions are not met, a home occupation may be allowed by special permit issued by the Board of Appeals.

Contact the Fire Prevention Bureau located at the Fitchburg Fire Department to determine whether additional permits or fire prevention systems are needed.

4 LICENSING

In order to become a licensed contractor, electrician, HVAC technician, or plumber you must complete several levels of instruction and certification. The full listing of home improvement licenses is provided by the Massachusetts Division of Professional Licensure.

Register with the Massachusetts Board of Building Regulations and Standards (BBRS).

4a. If you plan to do residential contracting including, but not limited to, carpentry, roofing, siding, and/or window work, then you must register with the BBRS Massachusetts Home Improvement Contractor Program. Call the Home Improvement Contractor Program office at 617-727-7532 to request an application or download the forms online. This program also details contract requirements and provides sample contracts. Depending on scope of your intended business or your professional background, you may be exempt from the registration requirement.

_Massachusetts Home Improvement Contractor Registration Program_
_ State Board of Building Regulations and Standards_
Return your completed application and two certified checks or money orders for your registration fee and one-time Guaranty Fund contribution. Licensed construction supervisors in good standing are exempt from the registration fee but everyone is required to donate to the Guaranty Fund, which reimburses up to $75,000 of any damages incurred by a home owner whose contractor violates the law. As a sole proprietor, your mandatory donation will be $100.

**Note:** Home Improvement Contractor Registration does not give you the authority to perform the duties of a licensed tradesman such as a plumber or electrician. If you plan to become a licensed plumber or electrician, please contact the Massachusetts Division of Professional Licensure for details.

- For HVAC technicians licensing is handled by the Department of Public Safety (Listed as Executive Office of Public Safety below)
- For electricians by the Board of State Examiners of Electricians
- For contractors by the Board of Building Regulations and Standards
- For plumbers by the Board of State Examiners of Plumbers and Gas Fitters

5 BUSINESS CERTIFICATE
You must complete a zoning check before a business certificate will be issued (see section 3).

5b. After filling out the application, have it notarized. Return the completed and notarized form to the Fitchburg City Clerk’s office.

TIP: Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 TAXES
Visit the Fitchburg City Assessor to file a Form of List. A Form of List is used to document the property owned by your business, so that it may be assessed and taxed by the city. Once you file a Form of List with the City Assessor, a time will be arranged to visit your place of business and assess it for city taxes. The office is open from 8:30am-4:30pm, Monday through Friday.

2 LOCATION

Choose a location for your business and draft a detailed floor plan for submission to the City of Fitchburg Building Commissioner along with the Form of Intent. The floor plan must show how the business or use is going to be set up within the principal structure.

3 ZONING AND PERMITTING

Visit the Building Commissioner at City Hall.

Building Commissioner
Fitchburg City Hall, 3rd Floor
718 Main Street
Fitchburg MA 01420
978-345-9596

File a Form of Intent. Along with the Form of Intent you must submit a floor plan that shows how the business or use is going to be set up within the principal structure, a certified plot plan showing adequate off street parking and setbacks to property lines, and the $15.00 filing fee. Be
prepared to provide an explanation about your business and intentions.

The **Building Commissioner** will review your application and write a **Zoning Determination** that will outline step-by-step what you need to do to proceed with your business. Follow the steps in the Zoning Determination.

*For home-based businesses:*

Home Occupation is allowed by right in Fitchburg provided that it:
- Is conducted solely within a dwelling and solely by the person(s) occupying the dwelling as a primary residence;
- Is clearly incidental and secondary to the use of the premises for residential purposes;
- Does not produce offensive noise, vibration, smoke, dust, odors, heat, lighting, electrical interference, radioactive emission or environmental pollution;
- Does not utilize exterior storage of material or equipment;
- Does not exhibit any exterior indication, including signs, of its presence or any variation from residential appearance;
- Does not produce any customer, pupil, or client trips to the occupation site and has no nonresident employees;
- Is registered as a business with the City Clerk

If these conditions are not met, a home occupation may be allowed by **special permit** issued by the **Board of Appeals**.

Contact the **Fire Prevention Bureau** located at the **Fitchburg Fire Department** to determine whether additional permits or fire prevention systems are needed.

5 **BUSINESS CERTIFICATE**

You must complete a zoning check before a business certificate will be issued (see section 3).

5a. Prior to opening your business, you must file with the **Fitchburg City Clerk’s Office** for a Doing Business As (DBA) Certificate.

\]
5b. After filling out the application, have it notarized. Return the completed and notarized form to the Fitchburg City Clerk’s office.

**TIP:** Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 **TAXES**

Visit the **Fitchburg City Assessor** to file a Form of List. A Form of List is used to document the property owned by your business, so that it may be assessed and taxed by the city. Once you file a Form of List with the City Assessor, a time will be arranged to visit your place of business and assess it for city taxes. The office is open from 8:30am-4:30pm, Monday through Friday.

7 **INTERNAL REVENUE SERVICE**

You must also file all necessary tax forms with the **United States Internal Revenue Service**. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

Typically, along with a basic Form 1040, you must file a Schedule SE form (15.3% Soc Security/Medicare Rate for Self-Employed filers) and a Federal Schedule C form (Taxed Profit or Loss from Business).

An introductory guide and access to all applicable forms are available through the IRS website:

http://www.irs.gov/businesses/small/article/0,,id=115043.00.html

*Internal Revenue Service*
*120 Front Street*
*Worcester, MA 01608*
*508-793-8227*
*http://www.irs.gov*

You must also file tax forms with the **Massachusetts Department of Revenue (DOR)**. As a sole proprietor, you are most likely required to file two forms with the Massachusetts Department of Revenue:

- **Form 1** – Massachusetts Resident Income Tax Return (or Form 1 NR/PY for Non-Residents or Part-Year Residents)
- **Schedule C** – Profit or Loss from Business of Profession (self-employed)
A comprehensive guide to small business taxes, as well as online access to all applicable forms, can be found at the website:

http://www.dor.state.ma.us/business/taxguide/toc.htm

For additional information, or to obtain the forms by mail, contact the Customer Service Bureau:

In addition to the Schedule C, if you plan to sell tangible goods, you must obtain Form ST-1 to register to pay Massachusetts state sales tax. Currently, the rate is five percent of taxable items sold.

Complete a WebFile for Business application at the DOR website, and in turn you will receive a Sales and Use Tax Registration Certificate (Form ST-1) to be displayed at your place of business.

For a clear and comprehensive introductory information pertaining to sales tax, refer to “A Guide to Sales and Use Tax” available in PDF file through the website:

http://www.dor.state.ma.us/publ/pdfs/sls_use.pdf

8a. Call the DOR’s Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

http://www.dor.state.ma.us/forms/formlist.htm

8b. After you have completed the forms, either file online, or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number. You must also file tax forms with the Massachusetts Department of Revenue (DOR). Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts’ sales tax.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business’s needs. Commercial vehicle insurance is required on all trucks used in the business. Visit the Building Commissioner to have answered any questions you may have.

9a. Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, “key man,” automobile, and home office.

9b. If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

1 BUSINESS PLAN

Draft a business plan. Business plans are part of a continuous process to define your business concept, understand your market, set goals and effectively meet client needs. Typically, plans encompass operational issues including, but not limited to, the following:

- What services and products will your business provide and what needs do these fulfill?
- Who is your target market and how will you reach them?
- How will your company secure and repay financing?

This guide contains instructions to open a laundromat only. Additional steps are required if you plan to perform dry-cleaning at your business. This guide contains instructions for sole proprietors only. Hiring other individuals requires that you take further steps and complicates your tax filing. For more information, visit the Massachusetts Department of Economic Development website.

4a. In order to operate a laundromat in Fitchburg, you will need to connect your place of business directly to the city’s sewer system. If you are substantially changing the flow by connecting to the sewer system, you must file an Application for Sewer System Extension or Connection with the **Engineering Division** of the **City of Fitchburg Department of Public Works**.

*Engineering Division*
*Department of Public Works*
(978) 345-9613

Complete the application with the assistance of a registered professional engineer, and submit it to the Engineering Division of the City of Fitchburg Department of Public Works. It is strongly recommended that you work closely with the Engineering Division and a registered professional engineer to ensure that the sewer connection process is done properly.

4b. You also must contact the **Massachusetts Department of Environmental Protection (DEP) Central Regional Office** before connecting to the city’s sewer system.

*Massachusetts Department of Environmental Protection*
*Central Regional Office*

A standard laundromat does not typically require additional permitting. Call the Massachusetts DEP to ensure you are in full compliance with the law.
Note: This guide does not cover the requirements for operating a dry cleaning business. If you plan to do dry cleaning at your establishment, additional steps need to be taken through the Massachusetts Department of Environmental Protection. Applications and forms for dry cleaning can be viewed and downloaded at the DEP website.

2 LOCATION

Choose a location for your business and draft a detailed floor plan for submission to the City of Fitchburg Building Commissioner along with the Form of Intent. The floor plan must show how the business or use is going to be set up within the principal structure.

3 ZONING AND PERMITTING

Visit the Building Commissioner at City Hall.

Be prepared to provide an explanation about your business and intentions.

The **Building Commissioner** will review your application and write a **Zoning Determination** that will outline step-by-step what you need to do to proceed with your business. Follow the steps in the Zoning Determination.

Contact the **Fire Prevention Bureau** located at the **Fitchburg Fire Department** to determine whether additional permits or fire prevention systems are needed.

4 **LICENSING**

Visit the **City Clerk’s Office** at City Hall to file for a **City of Fitchburg Taxi/Livery Service Application for New License & Renewal.** There is a $200 fee to process the application.

The **Massachusetts Registry of Motor Vehicles** handles all livery licensing issues. The **Registry of Motor Vehicles** requires that all livery drivers in Massachusetts be licensed to drive the particular vehicle that they operate. The vehicle must be a legal one in which to transport passengers. Individual businesses and employers, as well as cities and towns outside of Boston, may have additional requirements for drivers.

Upon receiving your federal tax ID number (see Step 8), you may register your livery vehicles with the **Registry of Motor Vehicles.**

- You must acquire livery plates for each vehicle that you intend to use to carry passengers.
- You will pay a minimum of $80 dollars for each vehicle. If a vehicle has seven or fewer passenger seats, the additional fee per seat is $6. If the vehicle has more that seven seats, it will cost you $8 per seat in addition to the $80 minimum fee. For up-to-date rate information on passenger vehicle plates, see the Registry of Motor Vehicles website: [http://www.state.ma.us/rmv/fees/index.htm#multipass](http://www.state.ma.us/rmv/fees/index.htm#multipass)

4a. **Livery Capacity Rules.** A designated livery vehicle is permitted to have a capacity no greater than 15 passengers. There are different rules pertaining to vehicles that are legally considered buses.

To check on the status of your vehicle, call the Registry of Motor Vehicles at 617-351-4500.

If a vehicle has a capacity of nine passengers or more, then you must file an application for authority to transport passengers for hire from the **Transportation Division, Massachusetts Department of Telecommunications and Energy.** A printable copy of this application form can be found at the Transportation Division website.

[http://www.state.ma.us/dpu/transportation/propasap.pdf](http://www.state.ma.us/dpu/transportation/propasap.pdf)

4b. To operate a livery vehicle at Logan Airport, Massport requires that you obtain a letter from a City official (on official letterhead) stating that the city has no objections to your operation and has no special requirements on livery service. To obtain permission to operate on Massport premises, contact the Massport Ground Transportation Unit (GTU) at 617-561-1775 for a Massport Ground Transportation operating agreement. The agreement calls for proof of insurance, operating authority, a list of fleet vehicles, and “other pertinent information.” The application fee is $75. Massport requires livery companies to be insured for:

- At least $250,000 for bodily injury per person
- At least $500,000 bodily injury per accident
- At least $100,000 in property damage.

Your Certificate of Insurance must show:

- A broker’s stamp
- An authorized signature
- The name of the certificate holder.

If you are required to carry Worker’s Compensation coverage for employees, then you must do so prior to operating at Massport. However, sole proprietors are not usually required to carry Worker’s Compensation and must sign a form to notify Massport of this status. The form comes in the Ground Transportation Operating Agreement.

“Upon signature and approval of your agreement, you can commence operations at Logan, using curb areas as specified by the GTU. Your company would then be billed monthly $1.50 per trip in accordance with the agreement. Massport only regulates shuttle carriers as to their operation at Logan.”

See the Massport website for more information: http://www.massport.com/logan/faq.html
Massport will issue an approval permit, which you must affix in/on your vehicle so that it may easily be seen by police and Massport officials. Massport further requires that each car have working air conditioning during the summer, a clean luggage compartment, and have any seatbelts installed during the car’s manufacture in working order. Be sure to request a copy of:

740 CMR 23.00 – Rules and Regulations for the Operation of Commercial Ground Transportation Services at Boston-Logan International Airport.

5 BUSINESS CERTIFICATE
You must complete a zoning check before a business certificate will be issued (see section 3).

5a. Prior to opening your business, you must file with the **Fitchburg City Clerk’s Office** for a Doing Business As (DBA) Certificate.

*City Clerk*
*Room 117*
*Fitchburg City Hall*
*718 Main Street*
*Fitchburg MA 01420*
*978-345-9592*

5b. After filling out the application, have it notarized. Return the completed and notarized form to the Fitchburg City Clerk’s office.

**TIP:** Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 TAXES
Visit the **Fitchburg City Assessor** to file a Form of List. A Form of List is used to document the property owned by your business, so that it may be assessed and taxed by the city. Once you file a Form of List with the City Assessor, a time will be arranged to visit your place of business and assess it for city taxes. The office is open from 8:30am-4:30pm, Monday through Friday.

7 INTERNAL REVENUE SERVICE
You must also file all necessary tax forms with the **United States Internal Revenue Service**. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

Typically, along with a basic Form 1040, you must file a *Schedule SE* form (15.3% Soc Security/Medicare Rate for Self-Employed filers) and a Federal *Schedule C* form (Taxed Profit or Loss from Business).

An introductory guide and access to all applicable forms are available through the IRS website:

8 MASSACHUSETTS DEPARTMENT OF REVENUE

You must also file tax forms with the Massachusetts Department of Revenue (DOR). As a sole proprietor, you are most likely required to file two forms with the Massachusetts Department of Revenue:

- **Form 1** – Massachusetts Resident Income Tax Return (or Form 1 NR/PY for Non-Residents or Part-Year Residents)
- **Schedule C** – Profit or Loss from Business of Profession (self-employed)

A comprehensive guide to small business taxes, as well as online access to all applicable forms, can be found at the website:

http://www.dor.state.ma.us/business/taxguide/toc.htm

For additional information, or to obtain the forms by mail, contact the Customer Service Bureau:

*Customer Service Bureau*

*Chelsea, MA 02150*
*617-887-MDOR (6367)*
*800-392-6089*
*www.mass.gov/dor*

In addition to the Schedule C, if you plan to sell tangible goods, you must obtain Form ST-1 to register to pay Massachusetts state sales tax. Currently, the rate is five percent of taxable items sold.

Complete a WebFile for Business application at the DOR website, and in turn you will receive a Sales and Use Tax Registration Certificate (Form ST-1) to be displayed at your place of business.

For a clear and comprehensive introductory information pertaining to sales tax, refer to “A Guide to Sales and Use Tax” available in PDF file through the website:

http://www.dor.state.ma.us/publ/pdfs/sls_use.pdf

8a. Call the DOR’s Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

http://www.dor.state.ma.us/forms/formlist.htm
8b. After you have completed the forms, either file online, or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number. You must also file tax forms with the Massachusetts Department of Revenue (DOR). Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts’ sales tax.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business’s needs. Commercial vehicle insurance is required on all vehicles used for the business. Visit the Building Commissioner to have answered any questions you may have.

9a. Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, “key man,” automobile, and home office.

9b. If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

7  INTERNAL REVENUE SERVICE

You must also file all necessary tax forms with the United States Internal Revenue Service. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

Typically, along with a basic Form 1040, you must file a Schedule SE form (15.3% Soc Security/Medicare Rate for Self-Employed filers) and a Federal Schedule C form (Taxed Profit or Loss from Business).

An introductory guide and access to all applicable forms are available through the IRS website:

    120 Front Street
    Worcester, MA 01608
    508-793-8227

8  MASSACHUSETTS DEPARTMENT OF REVENUE

You must also file tax forms with the Massachusetts Department of Revenue (DOR). As a sole proprietor, you are most likely required to file two forms with the Massachusetts Department of Revenue:

- **Form 1** – Massachusetts Resident Income Tax Return (or Form 1 NR/PY for Non-Residents or Part-Year Residents)
- **Schedule C** – Profit or Loss from Business of Profession (self-employed)

A comprehensive guide to small business taxes, as well as online access to all applicable forms, can be found at the website:

    http://www.dor.state.ma.us/business/taxguide/toc.htm

For additional information, or to obtain the forms by mail, contact the Customer Service Bureau:
In addition to the Schedule C, if you plan to sell tangible goods, you must obtain Form ST-1 to register to pay Massachusetts state sales tax. Currently, the rate is five percent of taxable items sold.

Complete a WebFile for Business application at the DOR website, and in turn you will receive a Sales and Use Tax Registration Certificate (Form ST-1) to be displayed at your place of business.

For a clear and comprehensive introductory information pertaining to sales tax, refer to “A Guide to Sales and Use Tax” available in PDF file through the website:

http://www.dor.state.ma.us/publ/pdfs/sls_use.pdf

8a. Call the DOR’s Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

http://www.dor.state.ma.us/forms/formlist.htm

8b. After you have completed the forms, either file online, or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number. You must also file tax forms with the Massachusetts Department of Revenue (DOR). Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts’ sales tax.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business’s needs. Visit the Building Commissioner to have answered any questions you may have.

9a. Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, “key man,” automobile, and home office.

9b. If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

1  BUSINESS PLAN

Draft a business plan. Business plans are part of a continuous process to define your business concept, understand your market, set goals and effectively meet client needs. Typically, plans encompass operational issues including, but not limited to, the following:

- What services and products will your business provide and what needs do these fulfill?
- Who is your target market and how will you reach them?
- How will your company secure and repay financing?

This guide contains instructions for sole proprietors only. Hiring other individuals requires that you take further steps and complicates your tax filing. For more information, visit the Massachusetts Department of Economic Development website.

http://www.mass.gov/dbt

Or, contact the Central Massachusetts Regional Small Business Development Center for a detailed business plan guide with a sample business plan:

Clark University SBDC
950 Main Street
Worcester, MA 01610
508-793-7615
http://www.clarku.edu/offices/sbdc

TIP: This guide concerns the regulations and licensing requirements for starting a sole proprietorship with no employees. If planning on hiring employees, please consult Appendix II, “Navigating the Regulations to Become an Employer”.

2  LOCATION

Choose a location for your business and draft a detailed floor plan for submission to the City of Fitchburg Building Commissioner along with the Form of Intent. The floor plan must show how the business or use is going to be set up within the principal structure.

3  ZONING AND PERMITTING

Visit the Building Commissioner at City Hall.

Building Commissioner
Fitchburg City Hall, 3rd Floor
718 Main Street
Fitchburg MA 01420
978-345-9596

File a Form of Intent. Along with the Form of Intent you must submit a floor plan that shows how the business or use is going to be set up within the principal structure, a certified plot plan
showing adequate off street parking and setbacks to property lines, and the $15.00 filing fee. Be prepared to provide an explanation about your business and intentions.

The **Building Commissioner** will review your application and write a **Zoning Determination** that will outline step-by-step what you need to do to proceed with your business. Follow the steps in the Zoning Determination.

Contact the **Fire Prevention Bureau** located at the **Fitchburg Fire Department** to determine whether additional permits or fire prevention systems are needed.

### 4 LICENSING
Contact the **City Clerk** at City Hall to file for the appropriate licenses.

### 5 BUSINESS CERTIFICATE
You must complete a zoning check before a business certificate will be issued (see section 3).

5a. Prior to opening your business, you must file with the **Fitchburg City Clerk’s Office** for a **Doing Business As (DBA) Certificate**.

5b. After filling out the application, have it notarized. Return the completed and notarized form to the Fitchburg City Clerk’s office.

**TIP:** Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

### 6 TAXES
Visit the **Fitchburg City Assessor** to file a Form of List. A Form of List is used to document the property owned by your business, so that it may be assessed and taxed by the city. Once you file a Form of List with the City Assessor, a time will be arranged to visit your place of business and assess it for city taxes. The office is open from 8:30am-4:30pm, Monday through Friday.

5b. After filling out the application, have it notarized. Return the completed and notarized form to the Fitchburg City Clerk’s office.

TIP: Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 TAXES

The office is open from 8:30am-4:30pm, Monday through Friday.

7 INTERNAL REVENUE SERVICE

You must also file all necessary tax forms with the United States Internal Revenue Service. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

Typically, along with a basic Form 1040, you must file a Schedule SE form (15.3% Soc Security/Medicare Rate for Self-Employed filers) and a Federal Schedule C form (Taxed Profit or Loss from Business).

An introductory guide and access to all applicable forms are available through the IRS website:

http://www.irs.gov/businesses/small/article/0,,id=115043,00.html
MASSACHUSETTS DEPARTMENT OF REVENUE

You must also file tax forms with the Massachusetts Department of Revenue (DOR). As a sole proprietor, you are most likely required to file two forms with the Massachusetts Department of Revenue:

- **Form 1** – Massachusetts Resident Income Tax Return (or Form 1 NR/PY for Non-Residents or Part-Year Residents)
- **Schedule C** – Profit or Loss from Business of Profession (self-employed)

A comprehensive guide to small business taxes, as well as online access to all applicable forms, can be found at the website:

http://www.dor.state.ma.us/business/taxguide/toc.htm

For additional information, or to obtain the forms by mail, contact the Customer Service Bureau:

In addition to the Schedule C, if you plan to sell tangible goods, you must obtain Form ST-1 to register to pay Massachusetts state sales tax. Currently, the rate is five percent of taxable items sold.

Complete a WebFile for Business application at the DOR website, and in turn you will receive a Sales and Use Tax Registration Certificate (Form ST-1) to be displayed at your place of business.

For a clear and comprehensive introductory information pertaining to sales tax, refer to “A Guide to Sales and Use Tax” available in PDF file through the website:

http://www.dor.state.ma.us/publ/pdfs/sls_use.pdf

8a. Call the DOR’s Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

http://www.dor.state.ma.us/forms/formlist.htm
8b. After you have completed the forms, either file online, or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number. You must also file tax forms with the Massachusetts Department of Revenue (DOR). Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts’ sales tax.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business’s needs. Visit the Building Commissioner to have answered any questions you may have.

9a. Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, “key man,” automobile, and home office.

9b. If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

Appendix II. Navigating the Regulations to Become an Employer

Pioneer Institute’s Center for Urban Entrepreneurship offers this brief supplement to entrepreneurs who wish to become employers. The checklist explains the state and federal tax requirements and regulations surrounding hiring and employing. We hope you find it most useful and wish you luck in your ventures.

**Preparation**

Before hiring:

1. **Get a Federal Employer Identification Number.**

2. **Register to pay the state unemployment tax.**
   Submit an Employer Status Report, form 1110, to the Massachusetts Division of Unemployment Assistance. Do it online using the state’s Webfile system at [https://wfb.dor.state.ma.us/webfile/](https://wfb.dor.state.ma.us/webfile/).

3. **Get workers’ compensation insurance.**
   Massachusetts state law requires it. The state offers the Massachusetts Guide to Workers’ Compensation at [http://www.mass.gov/dia/DESKSCAN/erguide.pdf](http://www.mass.gov/dia/DESKSCAN/erguide.pdf). For more information, contact your insurance provider or the state’s Insurance Rating Bureau: (617) 439-9030.

4. **Learn about minimum wage laws, poster requirements, and the family leave act.**
   The Massachusetts Department of Workforce Development offers plenty of information online: [http://www.mass.gov/dwd/otherr.htm](http://www.mass.gov/dwd/otherr.htm).

**Tip:** You may also want to register with the **Electronic Federal Tax Payment System.** Although it is not required, registering allows you to pay all of your federal taxes online. Go to [http://www.eftps.gov](http://www.eftps.gov) for more information.

**Hiring**

With every new hire:

1. **Check for a Social Security Card.**
   If lacking one, the employee must submit an application, form SS-5, to the Social Security Administration. Find out more: [http://www.ssa.gov](http://www.ssa.gov).

2. **Submit a W-4 form for each new employee.**
   This form determines how much of his or her wages should be withheld. Submit this form to the Internal Revenue Service. You may do so online: [http://www.irs.gov](http://www.irs.gov).

3. **Complete a federal Employee Eligibility Verification Form.**
   Do not submit this form to the government. You may dispose of this form a year after the employee’s departure or three years after the hire, whichever is longer. Find the form, an I-9, at the U.S. Citizenship and Immigration Services website: [http://www.uscis.gov](http://www.uscis.gov).

**Note:** If your company has more than twenty-five employees, you must report all new hires to the state. You may do so online here: [http://www.cse.state.ma.us/programs/newhire/nh_system.htm](http://www.cse.state.ma.us/programs/newhire/nh_system.htm).

**Tip:** The Department of Workforce Development offers numerous hiring incentives and training grants. Find out more online: [http://www.detma.org/BSHome.htm](http://www.detma.org/BSHome.htm).
Ongoing Taxes
An employer must:

1. Withhold federal income, Medicare and social security taxes.
   Use employees’ W-4 forms, the IRS’s Employer’s Tax Guide, and the IRS’s “withholding calculator.” Find the latter two online: http://www.irs.gov.
   - Each quarter, report these withholdings with the employer’s quarterly federal tax return, form 941. Find it at http://www.irs.gov.

2. Pay the Federal Unemployment Tax.
   Unlike the taxes in the previous step, this tax is not withheld from employee paychecks. Employers pay it.

3. Distribute W-2 forms to employees at the end of each year.
   Send copies of these wage-reporting forms to the Social Security Administration:

   Note: If employees collect more than $20 per month in tips, these tips must be reported. Make sure employees complete form 4070: Employee's Report of Tips to Employer, so that you can withhold employee income, social security, and employee Medicare tax on the employee's tips. Find form 4070 at http://www.irs.gov.
