INTRODUCTION

“This is an in-depth, excellent and much needed compilation of all the forms, licenses and permits required to open and operate twenty selected businesses in the city of Lawrence, Massachusetts. This booklet is an invaluable, timesaving guide for the aspiring entrepreneur planning to start a new business, as well as a useful update for existing business owners to ensure compliance with city codes and regulations. Another example of excellence by the Pioneer Institute!”

— Lee Kulas, Director
Lawrence Center for Urban Entrepreneurship and Business Development

Navigating through Regulations and Licensing Requirements: A Guide for Lawrence Entrepreneurs in 20 Business Types is designed to provide a quick grasp of the requirements for starting a business in the city of Lawrence. Pioneer Institute has researched city, state and federal regulations and produced the findings in this how-to, step-by-step guide.

This publication will be a useful resource to a variety of groups:
- Individuals who would like to start a sole proprietorship in Lawrence
- Agencies, both public and private, that advise and assist entrepreneurs
- Government officials interested in streamlining the business start-up process
- Financial institutions that provide technical services to entrepreneurs
- Research organizations involved in business development

The guide provides a roadmap for starting 20 different businesses in Lawrence. For each profession, the Checklist walks the user through a brief overview of the steps involved in the process. The Detailed Steps take the reader through a comprehensive listing of permits, licenses, and forms necessary for meeting local, state, and federal requirements. The information is organized into various sections: business plan, licensing, location, zoning and permitting, business certificate, and taxes. Users will find that the sections are similarly numbered in both the Checklist and Detailed Steps to produce an easy-to-follow guide.

We recommend that the user also refer to the two appendices, which contain additional valuable information for the entrepreneur.
- Appendix 1 summarizes in tabular form the city, state, and federal agencies in which a entrepreneur must interact to start a business in Lawrence.
- Appendix 2 lists organizations that offer business assistance, accounting, financial, technical and other services to entrepreneurs.

The Center for Urban Entrepreneurship team at Pioneer Institute has dedicated much time and effort to produce an entrepreneur-friendly tool. Your feedback is welcomed and appreciated.

Disclaimer

The information contained in this guide is limited to the procedures and requirements for entrepreneurs who are starting sole proprietorships without any employees. This guide cannot reflect changes in federal, state, or municipal laws, rules, regulations, or filing fees that occur following its publication.

Cities and towns outside Lawrence may have similar regulations. However, this guide only addresses those regulations in effect in Lawrence and should not be used as a guide to starting small businesses anywhere else.

DETAILED STEPS

BUSINESS PLAN

1. Draft a business plan. Decide how many children you wish to care for, and to what age groups these children will belong. If the number exceeds six, the state requires that you employ an assistant who is licensed by the Massachusetts Office of Child Care Services (OCCS) (see step 2). This guide contains instructions for sole proprietors only. Hiring other individuals requires that you take further steps and complicates your tax filing. For more information, visit the Massachusetts Department of Business and Technology website.

   http://www.mass.gov/portal/index.jsp?pageID=agcc&agid=ded&agca=businessassistance&agcc=businessplan&s=0&=

LICENSING

2. Before you begin providing child care services, you must be licensed by the Massachusetts Office of Child Care Services (OCCS) as a child care provider.

   Massachusetts Office of Child Care Services
   Central Office
   600 Washington Street, Suite 6100
   Boston, MA 02111
   617-988-6600

   The Beverly Regional Office covers the City of Lawrence. Call to learn about becoming a licensed child care provider.

   Massachusetts Office of Child Care Services
   Beverly Regional Office-Region 3
   66 Cherry Hill Drive, Suite 100
   Beverly, MA 10915
   978-524-0012

   2a. Complete the OCCS Orientation Program. This can be done at any Child Care Resource Agency location. Call 617-626-2000 or check the website for locations.

   http://www.qualitychildcare.org/contact.shtml

   2b. Call to request a copy of the Massachusetts Child Care Provider’s License application from OCCS. You can download the forms at the OCCS Online Forms Library:

   http://www.qualitychildcare.org/licensing_forms.shtml
You should call the OCCS Beverly Regional Office before filling out any forms. There are different types of family child care licenses for home providers. The type of license you need depends on the number of children you intend to care for.

- For caring for up to 6 children in your home, you need a Regular Family Child Care License.
- For caring for up to 6 children under 7 years of age and 2 children over 7 years of age in your home, you need a Family Child Care Plus License.
- For caring for up to 10 children in your home, you need a Large Family Child Care and an OCCS approved assistant.

Before you submit the application to open your facility, complete the following steps:

2c. Medical Requirements
- Obtain current certification in basic first aid and CPR for infants and children
- Be immunized against measles, mumps, and rubella
- Have a recent, negative test on record for tuberculosis (TB) on a Mantoux TB test
- Receive a complete physical
- Have your physician fill out the medical form in the application packet

2d. Information Requirements
- Submit a list of persons living in your household, detailing any physical, mental, or emotional problems that they may have that could affect your provision of day care. Every individual who regularly visits or is living in the house who is 17 years of age or older must fill out a background check form. They must submit a Criminal Offender Record Information (CORI) form to the state and undergo a background check. Certain criminal offenses may disqualify a home for a Family Child Care license. For further information on this, ask a representative from the Office for Childcare Services at 617-988-6600.
- Compile a list of references
- Compile a list of child care jobs that you have held in the past
- Find two persons who live within ten minutes of your day care location who could help you in case of an emergency
- Submit to your inspector a written activities plan in compliance with the requirements of the state law listed under Section 102 CMR 8.12

2e. Submit the application along with a signed check or money order in the amount of the licensing fee to OCCS as specified in the application packet.

Note: You will be required to maintain health and attendance records for each child that you or an assistant supervises. For more information on licensing and operating regulations, visit the OCCS website.

http://www.qualitychildcare.org/regulations.shtml

OCCS has several resource and referral agencies throughout Massachusetts, including an office in Lawrence. The OCCS Child Care Resource and Referral Agencies (CCR&R) are set up to serve parents, child care providers, employers and community groups. They offer information, referral, education, training, technical assistance, and resource development.

LOCATION

3 Draft a detailed floor plan, ensuring that your property conforms to OCCS guidelines. If you plan to make repairs or do renovations, the floor plan should show what the property will look like when the work has been completed. The floor plan need not be prepared professionally, but must show all planned furniture, doors, windows, equipment, plumbing, and electrical outlets/equipment.

3a. The following questions will need to be answered when filling out your application for a child care provider’s license and should be considered as you prepare your floor plan.

- Do you own a swimming pool (not a wading pool)? How is this pool made inaccessible to and safe for children?
- Do you have a porch that is more than three feet high?
- Do you have smoke detectors on each floor of the establishment?
- What type of heating equipment do you have? (The state will only permit baseboard and grate heating to remain unbarricaded in a day care facility.)
- Do you keep firearms or ammunition in your home? How are such firearms and ammunition stored and kept inaccessible to children?
- Do you have locks on all bathroom and closet doors? Are all of these locks easily opened?
- Do you have well water? (The state will require that you submit your well water to purity and quality tests.)
- Are all potentially hazardous materials (i.e., cleaning supplies, razors, etc.) stored and inaccessible to children? (The state will inspect the facility room by room to ensure this. Bathrooms and kitchens are emphasized.)
- Is there a working flashlight on each floor of the home? (Required)
- Is there peeling paint on the premises? Peeling paint must be addressed before one may operate a child care center. If there is lead paint, then it should be professionally removed before one starts caring for children on the premises. Any property constructed prior to 1978 must be checked for lead paint. The Office of Child Care Services Inspector will not approve your home or office to open for child care until any and all lead paint is professionally removed.
- Do you have an evacuation plan in case of fire, gas leak, or other emergency? (Required to be on paper)
- Are individual towels or paper towels and liquid soap available for each child? (Required)
- Are all windows above the first floor securely screened and/or barricaded? (Required)
- Are all unused electrical outlets covered? (Required)
- Do you have child care gates? (Required if you are caring for children under the age of three)
- Are you using your own yard for an outdoor play area? If so, what are the measurements? (Must have 75 square feet per child)
- Is the yard fenced and, if so, how high is the fence? Is it on a busy street?
- How many exits are in your home, and where are they located?
- Do you have to pass through someone else’s living space to get out?

3b. Your child care facility must have an operable telephone. Next to the telephone must be posted a list of emergency telephone numbers, including numbers for Fire, Police, Ambulance, Poison Control Center, nearest emergency health care facility, the names and numbers of two emergency contacts, and your name, address, and phone number.

3c. Before you are permitted to open for business, the OCCS will inspect your facility to determine if it meets state standards. The inspector will indicate any changes that need to be made to the property, or certifications you must obtain before you may open for business. Ask for copies of any paperwork generated by such inspections. If you receive certification, your license will be valid for up to three years.
DETAILED STEPS

ZONING AND PERMITTING

4 Visit the Building Division of the City of Lawrence Inspectional Services Department (ISD). Office hours: 8:30am-10:00am & 1pm-2pm

4a. Have the Building Division run a zoning check. Provide information about the type of business you plan to open and the address. Obtain the two-sided document that has both the Application for Certificate of Inspection and the Compliance Sign-off List.

4b. Visit the City of Lawrence Tax Collector with Compliance Sign-off List. Receive Tax Collector Department stamp, signature and date to clear the property of unpaid taxes.

4c. Visit the City of Lawrence Water Department with Compliance Sign-off List. Receive Water Department stamp, signature, and date to clear the property of unpaid water bills.

4d. Visit the City of Lawrence ISD with Compliance Sign-off List. Receive Inspectional Services stamp, signature, and date to clear the property of unpaid trash tickets.

4e. Call the Building Division to schedule an appointment for an inspector to visit the property.
4f. Return completed application with a check or money order for the filing fee ($100) to the Building Division of the City of Lawrence ISD to receive your Certificate of Occupancy.

4g. A home-based business also requires a letter to the Building Commissioner stating the purpose of business and the property address.
   - Have the letter notarized by a notary public. Notary publics can be found at banks, the Lawrence City Clerk’s office and other departments throughout Lawrence City Hall.
   - Submit notarized letter to the Building Commissioner at the Building Division of the City of Lawrence ISD. Your letter/request will be reviewed, and the Commissioner will decide whether home occupancy has been approved for your business.

4h. If you plan to perform any renovations, you will be required to submit an Application for Permit to Build Addition or Make Alteration from the Building Division of the City of Lawrence ISD.
   - Draft and submit a detailed floor plan clearly marking all exits, entrances, restrooms, equipment, plumbing, and electrical outlets.
   - Obtain an Application for Permit to Build Addition or Make Alteration from the Building Division of the City of Lawrence ISD.
   - Get approved and receive permit.

BUSINESS CERTIFICATE

5 You must file with the Lawrence City Clerk’s Office for a Business Certificate (d/b/a).

5a. After filling out the application, have it notarized. Return the completed and notarized form with a check or money order for the filing fee ($13) to the Lawrence City Clerk’s office.

TAXES

6 Visit the Lawrence City Assessor to file a Form of List. A Form of List is used to document the property owned by your business, so that it may be assessed and taxed by the city. Once you file a Form of List with the City Assessor, a time will be arranged to visit your place of business and assess it for city taxes.
If you intend to operate a business in the City of Lawrence, you must file tax forms with the Massachusetts Department of Revenue (DOR). Most sole proprietors should file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts state sales tax.

7a. Call the Massachusetts DOR at 617-887-MDOR(6367) or toll-free in Massachusetts at 1-800-392-6089 to request that the forms be mailed. The Mass DOR website includes an Online Forms Index. You can download the forms and browse the instructions for filing them.

http://www.dor.state.ma.us/forms/formlist.htm

7b. When you have completed the forms, either mail the printed forms or file online as indicated. If you file Form TA-1, you will receive a Massachusetts Sales Tax Registration Number.

7c. You should call the Department of Revenue’s Customer Service Bureau at 617-887-6367 or toll-free in Massachusetts at 1-800-392-6089 to ensure you are in full compliance with the law.

If you intend to operate a business in the City of Lawrence, you must file all necessary tax forms with the Internal Revenue Service (IRS). Once you file the necessary forms, the IRS will give you a federal tax identification number. As a sole proprietor, your tax identification can be your social security number. The IRS will provide further instructions on compliance with federal regulations.

2. Every barber shop must be under the supervision of a licensed master barber during hours of operation. Apprentices may not work on customers without a licensed master barber present and in charge.

   a. To become a master barber, you must already be a licensed apprentice. Apprentice licenses are acquired through the barber school you are attending. Once you are a licensed apprentice, you can call the Board of Registration of Barbers, Massachusetts Division of Professional Licensure at 617-727-7367 to speak to someone about an application. You will likely be asked to visit the Board of Barbers office to present your apprentice license and obtain an application to become a master barber.

   http://www.state.ma.us/reg/boards/br/default.htm

3. Draft a detailed floor plan for submission to the Board of Registration of Barbers. If you plan to make repairs or do renovations, the floor plan should show what the property will look like when the work has been completed. The floor plan need not be prepared professionally, but must show all planned furniture, doors, windows, equipment, plumbing, and electrical outlets/equipment.

   - The floor plan must show where the sink or sinks is/are in the work area, where the bathroom is and display that it has a sink where the toilet is located.
   - You must also show where the barber pole or barber pole decal is located. It must be in a window, on a door, or in a location clearly visible to the public.
ZONING AND PERMITTING

4. Visit the Building Division of the City of Lawrence Inspectional Services Department (ISD). Office hours: 8:30am-10:00am & 1pm-2pm

4a. Have the Building Division run a zoning check. Provide information about the type of business you plan to open and the address. Obtain the two-sided document that has both the Application for Certificate of Inspection and the Compliance Sign-off List.

4b. Visit the City of Lawrence Tax Collector with Compliance Sign-off List. Receive Tax Collector Department stamp, signature and date to clear the property of unpaid taxes.

4c. Visit the City of Lawrence Water Department with Compliance Sign-off List. Receive Water Department stamp, signature, and date to clear the property of unpaid water bills.

CERTIFICATE OF REGISTRATION

9 To apply for a Certificate of Registration from the Board of Registration of Barbers, Massachusetts Division of Professional Licensure for your shop, submit your floor plan to the Board of Registration of Barbers.

9a. After the floor plan has been reviewed, you will be contacted by the barber investigator. If the floor plan is approved, the investigator will make an appointment to inspect the facility.
   • If any renovations have been made, you will need to have the plumbing and electrical forms signed by a Lawrence inspector.
   • You will also be asked to provide your business certificate from the Lawrence City Clerk’s office.
   • The investigator will request the fee.
   The inspector will look for several critical things in your shop:
   • The shop must have hot and cold running water.
   • If hot and cold water are available from a public supply, then that must be your source. Where no public water supply is available, water must be supplied from a “suitably located pressure or gravity tank.”
   • You must have a sink or sinks that is/are capable of disposing of all wastewater.
   • You must have an accessible bathroom, with toilet and adequate sink for hand washing.

9b. If the inspector finds the facility up to code, then he/she will allow the shop to open and the registration board shall issue a Certificate of Registration for your barber shop. All Certificates of Registration for barber shops shall be renewed biennially. Be sure that you have filed all the necessary forms before opening your business.

DETAILED STEPS

BUSINESS PLAN

1 Draft a business plan. In order to operate a beauty salon, you must either be a licensed cosmetologist and serve as a manager, or have a manager who is a full-time employee and a licensed cosmetologist. This guide contains instructions for sole proprietorships only. Additional steps are required if you plan to hire other individuals. For more information, visit the Massachusetts Department of Business and Technology website.

   http://www.mass.gov/portal/index.jsp?pageID=agcc&agid=ded&agca=businessassistance&agcc=businessplan&s=0&=

LICENSING

2 In order to become a licensed cosmetologist, you must complete several levels of instruction and certification. The full listing of cosmetology licenses is provided by the Board of Registration of Cosmetologists, Massachusetts Division of Professional Licensure.

LOCATION

3 Select a location for your shop and draft a detailed floor plan. If you plan to make repairs or do renovations, the floor plan should show what the property will look like when the work has been completed. The floor plan need not be prepared professionally, but must show all planned furniture, doors, windows, equipment, plumbing, and electrical outlets/equipment. Your name, home address, shop location address, and day and night telephone numbers must all be included with your floor plan.

   3a. If this property is attached to your home, the shop and home must comply with the regulations of the Board of Registration of Cosmetologists, Massachusetts Division of Professional Licensure.

      • In order to operate a salon from one’s home, one must have a room or rooms separated from the living quarters in the house, and there must be an available bathroom facility for employees and customers that is separate from the facility used by residents of the home.

      • The door leading into the salon must be visible from the street and must not require customers to pass through the living quarters of the residence of the home.

      • Home operation also requires licensure from the Division of Professional Licensure (see Step 9).
3b. Submit the floor plan to the Board of Registration of Cosmetologists for review and approval. Include the following information:
- The owner’s name and two telephone numbers where he/she may be reached
- A copy of the manager’s current cosmetology license
- A note indicating whether the owner has purchased an existing licensed salon or is making/has made physical changes to the property in order to create a salon

Check the MRA website at [http://www.marestaurantassoc.org](http://www.marestaurantassoc.org) to view their calendar for the course offering schedule. Cost for non-members is $175, while MRA members are charged $120.

   Courses are also offered by the Brunetta Association at its Lawrence training facility.
   - To request an application be sent to you, call the Brunetta Association at 978-688-8745. Once your application has been processed, you will receive a course workbook approximately 2 weeks before your course is scheduled to start. Cost is $139.95.

   Northern Essex Community College offers ServSafe food safety certification courses through Continuing Education Services at its Haverhill campus. Cost is $120 + $59 for materials.
   - To register for the course by phone with a credit card, call NECC Continuing Education at 1-800-632-2123 ext. 4.
   - Or print the registration form from the NECC website—[http://www.necc.mass.edu/dce/NewDCE/RegistrationForm.htm](http://www.necc.mass.edu/dce/NewDCE/RegistrationForm.htm)—and fax it to 978-556-3195.
DETAILED STEPS

2b. Additional permitting is required to serve or sell milk or frozen desserts. Visit the Food Division of the City of Lawrence Inspectional Services Department to obtain the Application to Dispense Milk or Frozen Desserts.

LOCATION

3 Select a location. A catering business must operate in a restaurant or other licensed commercial kitchen. A catering business cannot be operated from a residential kitchen.

3a. Draft a detailed floor plan. If you plan to make repairs or do renovations, the floor plan should show what the property will look like when the work has been completed. The floor plan need not be prepared professionally, but must show all planned furniture, doors, windows, equipment, plumbing, and electrical outlets/equipment. Your name, home address, shop location address, and day and night telephone numbers must all be included with your floor plan.

Note: Catering businesses also have the opportunity to rent commercial kitchens, which may be less costly. You still need to follow all of the licensing and permitting requirements. Some social clubs rent their commercial kitchens for this purpose.

ZONING AND PERMITTING

4 Visit the Building Division of the City of Lawrence Inspectional Services Department (ISD). Office hours: 8:30am-10:00am & 1pm-2pm

4a. Have the Building Division run a zoning check. Provide information about the type of business you plan to open and the address. Obtain the two-sided document that has both the Application for Certificate of Inspection and the Compliance Sign-off List.
4b. Visit the **City of Lawrence Tax Collector** with Compliance Sign-off List. Receive Tax Collector Department stamp, signature and date to clear the property of unpaid taxes.

6 Visit the Lawrence City Assessor to file a Form of List. A Form of List is used to document the property owned by your business, so that it may be assessed and taxed by the city. Once you file a Form of List with the City Assessor, a time will be arranged to visit your place of business and assess it for city taxes.

7 If you intend to operate a business in the City of Lawrence, you must file tax forms with the Massachusetts Department of Revenue (DOR). Most sole proprietors should file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts state sales tax.
7a. Call the Massachusetts DOR at 617-887-MDOR (6367) or toll-free in Massachusetts at 1-800-392-6089 to request that the forms be mailed. The Mass DOR website includes an Online Forms Index. You can download the forms and browse the instructions for filing them.

http://www.dor.state.ma.us/forms/formlist.htm

7b. When you have completed the forms, either mail the printed forms or file online as indicated. If you file Form TA-1, you will receive a Massachusetts Sales Tax Registration Number.

7c. You should call the Department of Revenue’s Customer Service Bureau at 617-887-6367 or toll-free in Massachusetts at 1-800-392-6089 to ensure you are in full compliance with the law.

8 If you intend to operate a business in the City of Lawrence, you must file all necessary tax forms with the Internal Revenue Service (IRS). Once you file the necessary forms, the IRS will give you a federal tax identification number. As a sole proprietor, your tax identification can be your social security number. The IRS will provide further instructions on compliance with federal regulations.

**DETAILED STEPS**

## BUSINESS PLAN

1. Draft a business plan. This guide contains instructions for sole proprietors only. Additional steps are required if you plan to hire other individuals. For more information, visit the [Massachusetts Department of Business and Technology website](http://www.mass.gov/portal/index.jsp?pageID=agcc&agid=ded&agca=businessassistance&agcc=businessplan&s=0&=).

## LICENSING

2. If you plan to do residential contracting, you must register with the [Massachusetts Home Improvement Contractor Program](http://www.state.ma.us/homeimprovement).

   - **Massachusetts Home Improvement Contractor Registration Program**
     - State Board of Building Regulations and Standards
     - One Ashburton Place, Room 1301
     - Boston, MA
     - ☎ 617-727-3200, x 25205

   - [http://www.state.ma.us/homeimprovement](http://www.state.ma.us/homeimprovement)

   2a. You can call the Home Improvement Contractor Program office at 617-727-8598 to request the Application for Registration as a Home Improvement Contractor, or it can be downloaded from the Home Improvement Contractor Program website.

   - [http://www.state.ma.us/bbrs/hicapplication.pdf](http://www.state.ma.us/bbrs/hicapplication.pdf)

   The fee for registration is structured in two parts:
   - You must pay a $100 registration fee. This fee does not apply to licensed construction supervisors or registered individual motor vehicle repair shops in good standing.
   - As a sole proprietor, you must submit a mandatory donation of $100 to the Guaranty Fund. No one is exempt from this contribution.

   2b. Return the completed application along with two separate certified checks or money orders for the registration fee and Guaranty Fund contribution to the Director of Contractor Registration.

   - **Director, Contractor Registration**
     - State Board of Building Regulations and Standards
     - One Ashburton Place, Room 1301
     - Boston, MA 02108

   The Home Improvement Contractor Program outlines who is required to register:
   - Any persons, individuals or proprietorships who solicit, bid on, or perform residential contracting as a contractor or subcontractor on an existing one- to -four-unit owner-occupied residential building in Massachusetts.
The work covered by the Home Improvement Contractor Program includes the following types of residential contracting as state law dictates:

- Residential contracting is defined as “the reconstruction, alteration, renovation, repair, modernization, conversion, improvement, removal, demolition or construction of an addition to any pre-existing building containing at least one but not more than four dwelling units, which building thereof is used or designed to be used as a residence or dwelling unit, or to structures which are adjacent to such residence or building.”

The Home Improvement Contractor Program exempts the following from the requirement to register:

- Workers who work for a contractor or subcontractor for a wage
- All licensed professionals or tradesmen who take an exam as a condition of their licensure when they are working within the scope of their license, such as architects, electricians, plumbers but NOT construction supervisors licensed by the Board of Building Regulations and Standards
- The Commonwealth or its subdivisions
- Schools offering vocational education courses or training in home construction or improvement
- Owners doing their own renovations
- Persons who perform any bona-fide single job costing $500 or under
- Part time contractors or subcontractors whose gross revenue in the previous 12 months was less than $5,000
- Persons enrolled as full time students for last and next academic term and 2/3 of whose employees are so enrolled and whose gross revenue is anticipated to be or has been under $5,000
- Persons who install central heating, A/C systems, energy conservation devices, provide conservation services on behalf of a public utility, landscaping, interior painting, paper hanging, finished floor covering, tile, fencing, free standing masonry walls, above-ground swimming pools, shutters, awnings, patios, and driveways

Thus, if you plan to do residential contracting that includes but is not limited to carpentry, roofing, siding, and/or window work, then you must register as a Home Improvement Contractor. For more information, refer to the Home Improvement Contractor Program website.

Note: Home Improvement Contractor Registration does not permit you to act as a licensed tradesman such as a plumber or electrician. As stated, if you are already a licensed tradesman, you are exempt from the Home Improvement Contractor Program. If you intend to become a licensed plumber or electrician, refer to the Massachusetts Division of Professional Licensure.

TAXES

6  Visit the Lawrence City Assessor to file a Form of List. A Form of List is used to document the property owned by your business, so that it may be assessed and taxed by the city. Once you file a Form of List with the City Assessor, a time will be arranged to visit your place of business and assess it for city taxes.

7  If you intend to operate a business in the City of Lawrence, you must file tax forms with the Massachusetts Department of Revenue (DOR). Most sole proprietors should file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts state sales tax.

7a. Call the Massachusetts DOR at 617-887-MDOR(6367) or toll-free in Massachusetts at 1-800-392-6089 to request that the forms be mailed. The Mass DOR website includes an Online Forms Index. You can download the forms and browse the instructions for filing them.

7b. When you have completed the forms, either mail the printed forms or file online as indicated. If you file Form TA-1, you will receive a Massachusetts Sales Tax Registration Number.

7c. You should call the Department of Revenue’s Customer Service Bureau at 617-887-6367 or toll-free in Massachusetts at 1-800-392-6089 to ensure you are in full compliance with the law.
If you intend to operate a business in the City of Lawrence, you must file all necessary tax forms with the Internal Revenue Service (IRS). Once you file the necessary forms, the IRS will give you a federal tax identification number. As a sole proprietor, your tax identification can be your social security number. The IRS will provide further instructions on compliance with federal regulations.

LICENSING

2 Obtain all the permits necessary to open a laundromat.

   2a. In order to operate a laundromat in Lawrence, you will need to connect your facility directly to the city’s sewer system. Contact the City Engineer at the City of Lawrence Department of Public Works.

      City Engineer
      Department of Public Works
      City Hall, Room #201
      200 Common Street

      The City Engineer requires a detailed site plan prepared by a registered professional engineer for your property. The site plan should include the footprint of the property, existing and proposed grades of property, your plans for connecting to the sewer and your property’s flow calculations.

      Note: It is strongly recommended that you work closely with the City Engineer and a registered professional engineer to ensure that the sewer connection process is done properly.

   2b. After the site plan has been approved by the City Engineer, you will then be instructed to register with the Greater Lawrence Sanitary District.

   2c. You also must contact the Massachusetts Department of Environmental Protection (DEP) Northeast Regional Office before connecting to the city’s sewer system.

The DEP Northeast Regional Office will determine if further permitting is necessary for the sewer connection based on the type of discharge and the city’s wastewater treatment system. A standard laundromat though, does not typically require additional permitting. Call the Massachusetts DEP to ensure you are in full compliance with the law.

2d. Additional licenses are required from the City of Lawrence Licensing Board for:
   • sale of tobacco
   • use of automatic amusement machines such as arcade games
   • entertainment such as television, juke box, or radio.

Be sure to visit the City of Lawrence Licensing Board with a full list of the equipment and products you wish to use or sell in your establishment.

LICENSING

2. The Massachusetts Registry of Motor Vehicles handles all livery licensing issues. You will need a federal tax identification number (see Step 8 below) before you can register your vehicles.
   - Acquire livery plates for each vehicle
   - If the vehicle has a capacity of nine passengers or more, file an application for authority to transport passengers for hire from the Transportation Division, Massachusetts Department of Telecommunications and Energy ($100 fee)

To operate a livery vehicle at Boston’s Logan Airport, take the following steps:
   - Obtain a letter from a city official (on official letterhead) stating that the city has no objections to your operation and has no special requirements on livery service
   - Be insured for at least $250,000 for bodily injury per person, $500,000 bodily injury per accident, and $100,000 in property damage
   - Acquire a Certificate of Insurance with
     - a broker’s stamp
     - an authorized signature
     - the name of the certificate holder
   - Submit this certificate to Massport’s Ground Transportation Division.

If you will be regularly transporting passengers across state lines,
   - Receive authorization from the Motor Carrier Board of the Federal Highway Administration.

2 The Massachusetts Registry of Motor Vehicles handles all livery licensing issues. The Registry of Motor Vehicles requires that all livery drivers in Massachusetts be licensed to drive the particular vehicle that they operate. The vehicle must be a legal one in which to transport passengers. Individual businesses and employers, as well as cities and towns outside of Boston, may have additional requirements for drivers.

Upon receiving your federal tax ID number (see Step 8), you may register your livery vehicles with the Registry of Motor Vehicles.

- You must acquire livery plates for each vehicle that you intend to use to carry passengers.
- You will pay a minimum of $80 dollars for each vehicle. If a vehicle has seven or fewer passenger seats, the additional fee per seat is $6. If the vehicle has more that seven seats, it will cost you $8 per seat in addition to the $80 minimum fee. For up-to-date rate information on passenger vehicle plates, see the Registry of Motor Vehicles website:

http://www.state.ma.us/rmv/fees/index.htm#multipass

2a. Livery Capacity Rules. A designated livery vehicle is permitted to have a capacity no greater than 15 passengers. There are different rules pertaining to vehicles that are legally considered buses. To check on the status of your vehicle, call the Registry of Motor Vehicles at 617-351-4500.

- If a vehicle has a capacity of nine passengers or more, then you must file an application for authority to transport passengers for hire from the Transportation Division, Massachusetts Department of Telecommunications and Energy. A printable copy of this application form can be found at the Transportation Division website.

2b. To operate a livery vehicle at Logan Airport, Massport requires that you obtain a letter from a City official (on official letterhead) stating that the city has no objections to your operation and has no special requirements on livery service.

To obtain permission to operate on Massport premises, contact the Massport Ground Transportation Unit (GTU) at 617-561-1775 for a Massport Ground Transportation operating agreement. The agreement calls for proof of insurance, operating authority, a list of fleet vehicles, and “other pertinent information.” The application fee is $75. Massport requires livery companies to be insured for

- at least $250,000 for bodily injury per person
- at least $500,000 bodily injury per accident
- at least $100,000 in property damage.

Your Certificate of Insurance must show

- a broker’s stamp
- an authorized signature
- the name of the certificate holder.

If you are required to carry Worker’s Compensation coverage for employees, then you must do so prior to operating at Massport. However, sole proprietors are not usually required to carry Worker’s Compensation and must sign a form to notify Massport of this status. The form comes in the Ground Transportation Operating Agreement.

“Upon signature and approval of your agreement, you can commence operations at Logan, using curb areas as specified by the GTU. Your company would then be billed monthly $1.50 per trip in accordance with the agreement. Massport only regulates shuttle carriers as to their operation at Logan.”

See the Massport website for more information.

http://www.massport.com/logan/faq.html

Massport will issue an approval permit, which you must affix in/on your vehicle so that it may easily be seen by police and Massport officials. Massport further requires that each car have working air conditioning during the summer, a clean luggage compartment, and have any seatbelts installed during the car’s manufacture in working order. Be sure to request a copy of 740 CMR 23.00 – Rules and Regulations for the Operation of Commercial Ground Transportation Services at Boston-Logan International Airport.

2c. If you will be regularly transporting passengers across state lines, you will need authorization from the Motor Carrier Board of the Federal Highway Administration. The regional office is located in Cambridge.
