Introduction

Navigating through Regulations and Licensing Requirements: A Guide for Entrepreneurs in New Bedford in Twenty One Occupations is designed to guide New Bedford’s aspiring entrepreneurs through the municipal, state and federal regulations surrounding the opening of a small business. In addition to entrepreneurs, this publication can be of use to both public and private business assistance practitioners, as well as small business development and regulatory policy research organizations.

This guide provides step-by-step instructions for starting twenty one different types of businesses in New Bedford. For each business type, there is a general checklist, followed by detailed explanations on how to meet local, state, and federal requirements. In addition to licenses and permits, this guide considers business plans, zoning, all levels of taxes, and insurance.

There are also two useful appendices:

- **Appendix 1** explains the regulations and tax requirements for hiring employees.
- **Appendix 2** lists organizations and city departments that offer legal advice, accounting, financial, and other services to entrepreneurs.

Further business information can be obtained from the New Bedford Economic Development Council, a “one-stop-shop” for business assistance in the city of New Bedford. Working cooperatively with dozens of local, state, and federal agencies, the NBEDC can facilitate introductions to the appropriate office and person. Programs are available to help structure financial assistance and tax incentive packages; locate commercial property available for lease, sale or development; and provide technical assistance for project development. Contact information for the NBEDC is available in Appendix II.

We hope that entrepreneurs and business assistance professionals find this guide easy to use and helpful in starting or assisting small businesses in New Bedford.

User feedback is welcome. Please send e-mails to: Alla Yakovlev, Assistant Director of the Center for Economic Opportunity at ayakovlev@pioneerinstitute.org

Disclaimer

The information contained in this guide is limited to the procedures and requirements for entrepreneurs who are starting sole proprietorships. This guide cannot reflect changes in federal, state or municipal laws, rules, regulations or filing fees that occur following its publication. While municipalities outside New Bedford may have similar regulations and tax requirements, this guide only addresses New Bedford’s. This guide should not be used for starting a business in other cities and towns.

DETAILED STEPS

1 BUSINESS PLANNING

The New Bedford Economic Development Council (NBEDC) offers technical business assistance, loan opportunities, workshops, and site location assistance once you have drafted a business plan (For additional resources, please refer to Appendix II).

1213 Purchase Street, Third Floor
New Bedford, MA 02740

info@nbedc.org
<http://www.nbedc.org>

Before contacting the NBEDC, draft a business plan. Business plans are part of a continuous process to define your business concept, understand your market, set goals and effectively meet client needs. Typically, plans encompass operational issues including, but not limited to, the following: What services and products will your business provide and what needs do these fulfill? Who is your target market and how will you reach them? How will your company secure and repay financing? Contact the Southeastern Massachusetts Regional Small Business Development Center for a detailed business plan guide with a sample business plan:

Southeastern Massachusetts Regional SBDC
200 Pocasset Street
Fall River, MA 02721
508-673-9783
www.msbdc.org/semass

TIP: This guide concerns the regulations and licensing requirements for starting a sole proprietorship with no employees. If planning on hiring employees, consult Appendix I, “Navigating the Regulations to Become an Employer.”

2 LOCATION

The New Bedford Economic Development Council Real Estate Assistance Program (REAP) maintains a list of commercial property for sale, rent, or lease to help business owners find property in New Bedford or relocate within the city.

Draft a detailed floor plan, as you may need it throughout the permitting and licensing process. If you plan to make repairs or do renovations, the floor plan should show what the property will

look like when the work is complete. The floor plan does not need to be prepared professionally, but must show all planned furniture, doors, windows, equipment, plumbing and electrical outlets.

3 ZONING AND PERMITTING

- 3a. Contact the **Building Department** and determine which building permits or certificates you may need.

*Building Department
Inspectional Services Division

Any freestanding signage will have to be approved by the **City Planner**:

*Department of Planning
New Bedford City Hall, Room 303
133 William Street
New Bedford, MA 02740
508-979-1488*

- 3c. If you are within one hundred feet of a “wetland resource area”, you may need to file a **Notice of Intent** with the **Conservation Commission** in order to move forward with your project. For more information on what constitutes a “wetland resource area” or whether you need to file a Notice of Intent, contact the Conservation Commission:

4 LICENSING

There are no required licenses to open an art gallery.

5 BUSINESS CERTIFICATE

*City Clerk
New Bedford City Hall, Room 118*

133 William Street
New Bedford, MA 02740
508-979-1450

TIP: Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible, get a debit card with your account to help you with back up record keeping.

6 TAXES

A **Form of List** is used to document the property owned by your business, so that it may be assessed and taxed by the city. It is required that you file one with the New Bedford City **Assessor's Office**:

Assessor's Office
New Bedford City Hall, Room 109
133 William Street
New Bedford, MA 02740
508-979-1440

7 INTERNAL REVENUE SERVICE

You must also file all necessary tax forms with the **United States Internal Revenue Service**. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

8 MASSACHUSETTS DEPARTMENT OF REVENUE

You must also file tax forms with the **Massachusetts Department of Revenue (DOR)**. Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts' sales tax.

Massachusetts Department of Revenue
Data Integration Bureau
PO Box 7022
Boston, MA 02204
<http://www.dor.state.ma.us>

- 8a. Call the DOR's Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-392-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

<http://www.dor.state.ma.us/forms/formlist.htm>

- 8b. After you have completed the forms either file online or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business's needs.

Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, "key man," automobile, and home office.

The U.S. Small Business Association (SBA) publishes a booklet called "Small Business Risk Management Guide, #MP-28," which contains information about insurance requirements for business owners. It is available from the SBA by calling 617-565-5590 or you can download it from their website at

http://www.sba.gov/idc/groups/public/documents/sba_homepage/serv_pub_mplan_mp28eng.doc

If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 TAXES

A **Form of List** is used to document the property owned by your business, so that it may be assessed and taxed by the city. It is required that you file one with the New Bedford City **Assessor's Office**:

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business's needs.

Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, "key man," automobile, and home office.

The U.S. Small Business Association (SBA) publishes a booklet called "Small Business Risk Management Guide, #MP-28," which contains information about insurance requirements for business owners. It is available from the SBA by calling 617-565-5590 or you can download it from their website at

http://www.sba.gov/idc/groups/public/documents/sba_homepage/serv_pub_mplan_mp28eng.doc

If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

The floor plan does not need to be prepared professionally, but must show all planned rooms, equipment, both front and back doors, bathrooms and sinks, and shop set-up. You must also indicate where the barber pole or decal will be located (legally required to be on a window or door that is clearly visible to the public). Don't forget to include your name, two numbers where you can be contacted, the shop address (not a post office box), and the anticipated opening date. Visit the office in person to present a copy of your apprentice license and discuss the application process. Before you can become a Master Barber, you will also be required to take a computer-based assessment test and a practical examination. After pre-approval by the Board or your school, call Promissor to schedule an appointment at 1-800-274-2021. For further information contact the Board of Barbers or visit their website:

If you miss this inspection appointment, your shop application will automatically be denied and you will have to reapply and re-pay the fee. On the day of your inspection appointment, you will need a driver's license or photo ID and a current copy of 232 CMR, the Board of Barbers Rules and Regulations. The rules and regulations can be obtained from the Statehouse Bookstore, 617-727-2834, or online at:

- hot and cold running water
- a sink or sinks capable of disposing of all wastewater
- an available bathroom, with a toilet and an adequate sink for hand washing
- a sink for hand washing in addition to the bathroom sink
- proper lighting and ventilation.

If the inspector finds the facility up to code, then he/she will allow the shop to open and the registration board will issue a license for the barbershop. Licenses for barbershops are renewed biennially.

- two copies of the floor plan

Draft a detailed floor plan, as you may need it throughout the permitting and licensing process. If you plan to make repairs or do renovations, the floor plan should show what the property will

look like when the work is complete. The floor plan does not need to be prepared professionally, but must show all planned furniture, doors, windows, equipment, plumbing and electrical outlets.

NOTE: A catering business cannot be operated from a residential kitchen; you **must** have a licensed food service establishment as your base of operations. It is possible to rent a commercial kitchen, which may be less expensive than owning your own. Some social clubs rent their kitchens specifically for this purpose.

3 ZONING AND PERMITTING

- 3a. Contact the **Building Department** and determine which building permits or certificates you may need.

*Building Department
Inspectional Services Division
New Bedford City Hall, Room 308
133 William Street
508-979-1540*

- 3b. If you are placing any new building signs or changing existing ones, contact the **Building Department**.

Any freestanding signage will have to be approved by the **City Planner**:

*Department of Planning
New Bedford City Hall, Room 303
133 William Street
New Bedford, MA 02740
508-979-1488*

- 3c. If you are within one hundred feet of a “wetland resource area”, you may need to file a **Notice of Intent** with the **Conservation Commission** in order to move forward with your project. For more information on what constitutes a “wetland resource area” or whether you need to file a Notice of Intent, contact the Conservation Commission:

*Conservation Commission
New Bedford City Hall
133 William Street
New Bedford, MA 02740
508-991-6188*

4 LICENSING

Obtain all necessary licenses and permits

- 4a. Become or hire a certified **Food Safety Manager** and get a **ServSafe License**. Contact the **Inspectional Services Division** to find out about available training sessions. Also, inquire about which **food safety permits** you will need:

*Inspectional Services Division
New Bedford City Hall, Room 308*

133 William Street
508-979-1540

- 4b. If looking to serve alcohol at a function, contact the **Licensing Board** about **liquor licenses**:

Licensing Board
New Bedford City Hall, Room 206
133 William Street
New Bedford, MA 02740
508-979-1547

5 BUSINESS CERTIFICATE

Prior to opening, you must acquire a **Doing Business As (DBA) Certificate**. Complete an application and submit it to the **City Clerk** with the \$30 application fee (an additional \$10 is required for your own copy):

City Clerk
New Bedford City Hall, Room 118
133 William Street
New Bedford, MA 02740
508-979-1450

TIP: Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 TAXES

A **Form of List** is used to document the property owned by your business, so that it may be assessed and taxed by the city. It is required that you file one with the New Bedford City **Assessor's Office**:

Assessor's Office
New Bedford City Hall, Room 109
133 William Street
New Bedford, MA 02740
508-979-1440

7 INTERNAL REVENUE SERVICE

You must also file all necessary tax forms with the **United States Internal Revenue Service**. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

*Internal Revenue Service
JFK Federal Building
15 New Sudbury St.
Boston, MA 02203

8 MASSACHUSETTS DEPARTMENT OF REVENUE

You must also file tax forms with the **Massachusetts Department of Revenue (DOR)**. Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts' sales tax.

*Massachusetts Department of Revenue
Data Integration Bureau
PO Box 7022
Boston, MA 02204
<http://www.dor.state.ma.us>*

- 8a. Call the DOR's Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-392-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

<http://www.dor.state.ma.us/forms/formlist.htm>

- 8b. After you have completed the forms either file online or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business's needs.

Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, "key man," automobile, and home office.

The U.S. Small Business Association (SBA) publishes a booklet called "Small Business Risk Management Guide, #MP-28," which contains information about insurance requirements for business owners. It is available from the SBA by calling 617-565-5590 or you can download it from their website at

http://www.sba.gov/idc/groups/public/documents/sba_homepage/serv_pub_mplan_mp28eng.doc

If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

Before contacting the NBEDC draft a business plan. Business plans are part of a continuous process to define your business concept, understand your market, set goals and effectively meet client needs. Typically, plans encompass operational issues including, but not limited to, the following: What services and products will your business provide and what needs do these fulfill? Who is your target market and how will you reach them? How will your company secure and repay financing? Contact the Southeastern Massachusetts Regional Small Business Development Center for a detailed business plan guide with a sample business plan:

Draft a detailed floor plan, ensuring that your property conforms to **Department of Early Education and Care (DEEC)** guidelines. If you plan to make repairs or do renovations, the floor plan should show what the property will look like when the work has been completed. The floor plan does not need to be prepared professionally, but must show all planned furniture, doors,

windows, equipment, plumbing, and electrical outlets. You must have a minimum of 150 square feet of usable indoor space if caring for one or two children and a minimum of 225 square feet of approved usable floor space if caring for three to six children. Bathroom, hallways, and adult only zones do not count for square footage requirements.

- 2a. The following home safety questions need to be addressed in your child care providers' license application and should be taken into consideration as you draft a floor plan.

Outdoor Space

- Are you using your own yard for an outdoor play area? Do you have at least 75 square feet per child? (required)
- Is the yard fenced, and, if so, how high is the fence? Is it on a busy street?
- Do you have a porch that is more than three feet high?
- Do you own a swimming pool (not a wading pool)? How is this pool kept safe for children?
- Do you have a private well? (Well water must pass State purity and quality tests)
- Is there standing water, steep drop offs, railroad tracks or other hazards on or near your property?

Indoor Space

- How many exits are in your home? Where are they located?
 - Do you have smoke and carbon monoxide detectors on each floor of the establishment?
 - Do you have a written evacuation plan in case of fire, gas leak, or other emergency?
 - Do you have locks on all bathroom and closet doors? Are these locks easily opened from inside and out?
 - Do you have to pass through someone else's living space to leave the facility?
 - Are all accessible windows securely screened, barricaded, or do they open only from the top?
 - Is there a working flashlight on each floor of the home?
 - Is there peeling, flaking, or chipped paint on the premises? Do you have broken plaster? (Must be addressed before you may operate a child care center.)
 - Was your property constructed prior to 1978? Have you checked for lead paint? (Must be professionally removed before you may operate a child care center.)
 - Do you keep firearms or ammunition in your home? How do you store these firearms and ammunition so they are inaccessible to children?
 - Are all potentially hazardous materials (cleaning supplies, razors, cosmetics, medications, etc.) stored so they are inaccessible? The state will inspect the facility room by room to ensure this, particularly bathrooms and kitchens.
 - Are all heating sources (e.g. radiators, hot water pipes, fuel-burning stoves, and fireplaces) inaccessible to children?
 - Are all accessible unused electrical outlets covered?
 - Are all stairways of four or more stairs barricaded? (Required when caring for children under three.) Do you have pressure gates? Where will they be located? (Not allowed at the top of stairs.)
- 2b. Your child care facility must have an operable telephone. Next to the telephone a list of emergency telephone numbers (including Fire, Police, Ambulance, Poison Control Center, and the nearest emergency health care facility), the names and numbers of two emergency contacts, and your name, address, and phone number must be posted.
- 2c. Before you are permitted to open for business, **DEEC** will inspect your facility to determine if it meets state standards. The inspector will indicate any changes that need to be made to the property, or certifications you must obtain before you can open for

business. Ask for copies of any paperwork from the inspection(s). If you are certified, your license will be valid for up to three years.

There are different requirements for center based day care and home based day care.

Draft a detailed floor plan, as you may need it throughout the permitting and licensing process. If you plan to make repairs or do renovations, the floor plan should show what the property will look like when the work is complete. The floor plan does not need to be prepared professionally.

but must show all planned furniture, doors, windows, equipment, plumbing and electrical outlets.

3 ZONING AND PERMITTING

- 3a. Contact the **Building Department** and determine which building permits or certificates you may need.

*Conservation Commission

4 LICENSING

File the appropriate forms with the **Massachusetts Department of Environmental Protection (DEP)**.

*Massachusetts Department of Environmental Protection
One Winter Street
Boston, MA 02108
617-292-5500
<http://www.state.ma.us/dep>*

- 4a. Operating a dry cleaning facility requires that you deal properly with potential pollutants such as:
- industrial wastewaters from your separator, vacuum, washing machine or boiler;
 - air contaminants from the perchloroethylene, dry cleaning machines, boilers, or spotting

solvents;

- hazardous waste including waste perchloroethylene, muck, used filters, saturated rags, lint, or wipes.

You will also need to register with the DEP as a generator of hazardous waste. Complete the Hazardous Waste Generator Registration Form if your business is a Very Small Quantity Generator (VSQG) of hazardous waste (less than 220 pounds per month). You can download the form from the DEP website:

<http://www.mass.gov/dep/recycle/approvals/hwforms.htm - gen>

If your business will be a Small Quantity Generator (SQG) of hazardous waste (220-2,200 pounds per month) or a Large Quantity Generator of hazardous waste (more than 2,200 pounds per month), you need to file a Notification of Hazardous Waste Activity Form. Go to DEP's website:

<http://www.mass.gov/dep>

Click on the e-DEP icon, and register with e-DEP. Log in, then click online forms. The Notification of Waste Activity is in the drop down list. You will be prompted for your EPA ID number and your Tax ID number.

If DEP does not have this information on file for your facility, or if you do not have an EPA ID number, you should submit the "RCRA Notification of HW Activity Preliminary Form." DEP will use the information from the preliminary form to set up your facility, and will send back an email with the code needed to complete the notification.

As a New Bedford business owner, you will need to return the completed form to the DEP **Southeastern Office** (Attn: BWP).

*MassDEP Southeast Region
20 Riverside Drive

- 4b. Obtain **Environmental Results Program (ERP) Certification** from the **Massachusetts DEP** *unless* your dry cleaning business will not conduct cleaning operations onsite, will not use perchloroethylene, or will use only coin operated dry cleaning machines. ERP is an annual certification process covering air pollution, industrial waste, and hazardous waste management requirements.
- 4c. In some cases, your facility could require additional permitting beyond ERP to comply with federal, state, or local environmental regulations. This may include (but is not limited to) the following:
 - industrial wastewater from your facility, including wet laundry wastewater, will discharge into a storm drain, waterbody, waterway, certified wetland, the ground, or sewer;
 - in a year, your facility will use more than 2,100 gallons of perchloroethylene in dry-to-dry machines or 1,800 gallons of perchloroethylene facility-wide where transfer machines are in use.

- in a year, your facility will use more than 10,000 pounds of toxic chemicals on the federal CERCLA or EPCRA chemical lists.

NOTE: Once your business is open, be sure to regularly review environmental regulations as they change over time. Some states have already banned the use of perchloroethylene

5 BUSINESS CERTIFICATE

Prior to opening, you must acquire a **Doing Business As (DBA) Certificate**. Complete an application and submit it to the **City Clerk** with the \$30 application fee (an additional \$10 is required for your own copy):

*City Clerk
New Bedford City Hall, Room 118
133 William Street
New Bedford, MA 02740
508-979-1450*

TIP: Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 TAXES

A **Form of List** is used to document the property owned by your business, so that it may be assessed and taxed by the city. It is required that you file one with the New Bedford City **Assessor's Office**:

*Assessor's Office
New Bedford City Hall, Room 109
133 William Street
New Bedford, MA 02740
508-979-1440*

7 INTERNAL REVENUE SERVICE

You must also file all necessary tax forms with the **United States Internal Revenue Service**. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

*Internal Revenue Service
JFK Federal Building
15 New Sudbury St.
Boston, MA 02203

8 MASSACHUSETTS DEPARTMENT OF REVENUE

You must also file tax forms with the **Massachusetts Department of Revenue (DOR)**. Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts' sales tax.

*Massachusetts Department of Revenue
Data Integration Bureau
PO Box 7022
Boston, MA 02204
<http://www.dor.state.ma.us>*

- 8a. Call the DOR's Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-392-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

<http://www.dor.state.ma.us/forms/formlist.htm>

- 8b. After you have completed the forms either file online or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business's needs.

Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, "key man," automobile, and home office.

The U.S. Small Business Association (SBA) publishes a booklet called "Small Business Risk Management Guide, #MP-28," which contains information about insurance requirements for business owners. It is available from the SBA by calling 617-565-5590 or you can download it from their website at

http://www.sba.gov/idc/groups/public/documents/sba_homepage/serv_pub_mplan_mp28eng.doc

If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

Before contacting the NBEDC draft a business plan. Business plans are part of a continuous process to define your business concept, understand your market, set goals and effectively meet client needs. Typically, plans encompass operational issues including, but not limited to, the following: What services and products will your business provide and what needs do these fulfill? Who is your target market and how will you reach them? How will your company secure and repay financing? Contact the Southeastern Massachusetts Regional Small Business Development Center for a detailed business plan guide with a sample business plan:

Southeastern Massachusetts Regional SBDC

Draft a detailed floor plan, as you may need it throughout the permitting and licensing process. If you plan to make repairs or do renovations, the floor plan should show what the property will look like when the work is complete. The floor plan does not need to be prepared professionally.

but must show all planned furniture, doors, windows, equipment, plumbing and electrical outlets.

3 ZONING AND PERMITTING

*Building Department
Inspectional Services Division

*Department of Planning

- 4a. If you plan to do residential contracting including, but not limited to, carpentry, roofing, siding, and/or window work, then you must register with the BBRS **Massachusetts Home Improvement Contractor Program**. Call the Home Improvement Contractor Program office at 617-727-7532 to request an application or download the forms online. This program also details contract requirements and provides sample contracts. As a sole proprietor, your mandatory donation will be \$100.

NOTE: Home Improvement Contractor Registration does not give you the authority to perform the duties of a licensed tradesman such as a plumber or electrician. If you plan to become a licensed plumber or electrician, please contact the **Massachusetts Division of Professional Licensure** for details.

5 BUSINESS CERTIFICATE

Prior to opening, you must acquire a **Doing Business As (DBA) Certificate**. Complete an application and submit it to the **City Clerk** with the \$30 application fee (an additional \$10 is required for your own copy):

*City Clerk
New Bedford City Hall, Room 118
133 William Street
New Bedford, MA 02740
508-979-1450*

TIP: Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 TAXES

A **Form of List** is used to document the property owned by your business, so that it may be

assessed and taxed by the city. It is required that you file one with the New Bedford City Assessor's Office:

*Assessor's Office
New Bedford City Hall, Room 109
133 William Street
New Bedford, MA 02740
508-979-1440*

7 INTERNAL REVENUE SERVICE

You must also file all necessary tax forms with the **United States Internal Revenue Service**. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

*Internal Revenue Service
JFK Federal Building
15 New Sudbury St.
Boston, MA 02203
617-316-2850
<http://www.irs.gov>*

8 MASSACHUSETTS DEPARTMENT OF REVENUE

You must also file tax forms with the **Massachusetts Department of Revenue (DOR)**. Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts' sales tax.

*Massachusetts Department of Revenue
Data Integration Bureau
PO Box 7022
Boston, MA 02204
<http://www.dor.state.ma.us>*

- 8a. Call the DOR's Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-392-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

<http://www.dor.state.ma.us/forms/formlist.htm>

- 8b. After you have completed the forms either file online or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business's needs.

Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include

liability, property, business interruption, “key man,” automobile, and home office. If you operate as a subcontractor on a larger job, you may be required to show evidence of workers compensation insurance on yourself.

The U.S. Small Business Association (SBA) publishes a booklet called “Small Business Risk Management Guide, #MP-28,” which contains information about insurance requirements for business owners. It is available from the SBA by calling 617-565-5590 or you can download it from their website at

http://www.sba.gov/idc/groups/public/documents/sba_homepage/serv_pub_mplan_mp28eng.doc

If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

4 LICENSING

There are no unique licensing requirements to operate an interior decorating business in Massachusetts. Interior decorators can and often do work without formal credentials or training. However, decorating is a very competitive field and you may want to consider becoming certified with the American Society of Interior Designers (ASID) or a similar trade association before starting your business. To become certified you will need to pass the National Council of Interior Design Qualification exam. This exam tests your understanding of national, state, and local building and fire safety codes, spatial planning, and project management. 4 LICENSING

As long as your facility will not service industrial facilities, hospitals/clinics, or commercial uniforms, there are no specific permitting requirements for operating a laundromat. However, your facility will need to be connected directly to New Bedford’s sewer system.

- 4a. Laundromats do not typically require additional permits from the **Massachusetts Department of Environmental Protection** (DEP). Depending on the amount of wastewater discharged from your facility, however, your laundromat may need permits for sewer discharge. For more information on this and other environmental regulations that could affect your business, contact the DEP Division of Business Compliance or visit their website:

- 4b. If you intend to place snack or soda machines in your laundromat, you will need permits from the **Massachusetts Food Protection Program (FPP)**. Applications can be downloaded at the FPP website or you can contact the FPP directly:

TIP: Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a

debit card with your account to help you with back up record keeping.

6 TAXES

A **Form of List** is used to document the property owned by your business, so that it may be assessed and taxed by the city. It is required that you file one with the New Bedford City Assessor's Office:

*Assessor's Office
New Bedford City Hall, Room 109
133 William Street
New Bedford, MA 02740
508-979-1440*

7 INTERNAL REVENUE SERVICE

You must also file all necessary tax forms with the **United States Internal Revenue Service**. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

8 MASSACHUSETTS DEPARTMENT OF REVENUE

- 8a. Call the DOR's Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-392-6089 to request the forms by mail. <http://www.dor.state.ma.us/forms/formlist.htm>

- 8b. After you have completed the forms either file online or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business's needs.

Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, "key man," automobile, and home office.

The U.S. Small Business Association (SBA) publishes a booklet called "Small Business Risk Management Guide, #MP-28," which contains information about insurance requirements for business owners. It is available from the SBA by calling 617-565-5590 or you can download it from their website at

http://www.sba.gov/idc/groups/public/documents/sba_homepage/serv_pub_mplan_mp28eng.doc

If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 TAXES

A **Form of List** is used to document the property owned by your business, so that it may be

assessed and taxed by the city. It is required that you file one with the New Bedford City Assessor's Office:

133 William Street
New Bedford, MA 02740

- 8b. After you have completed the forms either file online or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business's needs.

Most forms of insurance are not required. However, business insurance protects you and your

business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, “key man,” automobile, and home office.

The U.S. Small Business Association (SBA) publishes a booklet called “Small Business Risk Management Guide, #MP-28,” which contains information about insurance requirements for business owners. It is available from the SBA by calling 617-565-5590 or you can download it from their website at

http://www.sba.gov/idc/groups/public/documents/sba_homepage/serv_pub_mplan_mp28eng.doc

If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

5 BUSINESS CERTIFICATE

Prior to opening, you must acquire a **Doing Business As (DBA) Certificate**. Complete an application and submit it to the **City Clerk** with the \$30 application fee (an additional \$10 is required for your own copy):

*City Clerk
New Bedford City Hall, Room 118
133 William Street
New Bedford, MA 02740
508-979-1450*

TIP: Open a business account with your local bank or credit union. If you are not using your social security number for your business, be sure to get your Tax ID# before opening a business bank account. A separate business account spares you the hassle of untangling personal and business transactions when you file taxes, decreases the likelihood of a missed deduction, and facilitates transparent recordkeeping in the event of an audit. Business accounts also increase credibility with potential lenders and clients and accommodate business growth. If possible get a debit card with your account to help you with back up record keeping.

6 TAXES

A **Form of List** is used to document the property owned by your business, so that it may be assessed and taxed by the city. It is required that you file one with the New Bedford City **Assessor's Office**:

*Assessor's Office
New Bedford City Hall, Room 109
133 William Street
New Bedford, MA 02740
508-979-1440*

7 INTERNAL REVENUE SERVICE

You must also file all necessary tax forms with the **United States Internal Revenue Service**. Once you file these forms, the IRS will give you a tax identification number and provide instructions on compliance with federal regulations.

*Internal Revenue Service
JFK Federal Building
15 New Sudbury St.
Boston, MA 02203
617-316-2850
<http://www.irs.gov>*

8 MASSACHUSETTS DEPARTMENT OF REVENUE

You must also file tax forms with the **Massachusetts Department of Revenue (DOR)**. Most sole proprietors file a Schedule C form with their income taxes. If you plan to sell tangible goods, you must file a Form TA-1 to pay Massachusetts' sales tax.

*Massachusetts Department of Revenue
Data Integration Bureau
PO Box 7022
Boston, MA 02204
<http://www.dor.state.ma.us>*

- 8a. Call the DOR's Customer Service Office at 617-887-MDOR (6367) or toll free at 1-800-392-6089 to request the forms by mail. Forms and filing instructions are available on the DOR website; however, it is still recommended that you speak to a DOR representative to ensure you are in full compliance with the law:

<http://www.dor.state.ma.us/forms/formlist.htm>

- 8b. After you have completed the forms either file online or mail the printed forms. Once you file Form TA-1, you will receive your Massachusetts Sales Tax Registration Number.

9 INSURANCE

Do a thorough risk assessment and determine what coverage best suits your business's needs.

Most forms of insurance are not required. However, business insurance protects you and your business in the event of fire, theft, or other losses. The most common coverage types include liability, property, business interruption, "key man," automobile, and home office.

The U.S. Small Business Association (SBA) publishes a booklet called "Small Business Risk Management Guide, #MP-28," which contains information about insurance requirements for business owners. It is available from the SBA by calling 617-565-5590 or you can download it from their website at

http://www.sba.gov/idc/groups/public/documents/sba_homepage/serv_pub_mplan_mp28eng.doc

If you get insurance, it is recommended that you assess and inventory your business facility and assets every two years. This will ensure replacement costs are up to date, enable you to settle claims faster, and help you explain business losses on your tax returns.

Appendix I. Navigating the Regulations to Become an Employer

The Pioneer Institute's Center for Economic Opportunity proudly offers this brief supplement to previous *Navigating* guides. While prior guides assisted forming small enterprises, this facilitates developing those ventures into employers. The checklist explains the state and federal tax requirements and regulations surrounding hiring and employing. We hope you find it most useful and wish you luck in your ventures.

Preparation

Before hiring:

1. *Get a **Federal Employer Identification Number**.*

You will need to use this on tax returns. Submit an application, form SS-4, to the Internal Revenue Service. Find it at <http://www.irs.gov>.

2. *Register to pay **the state unemployment tax**.*

Submit an Employer Status Report, form 1110, to the Massachusetts Division of Unemployment Assistance. Do it online using the state's Webfile system at <https://wfb.dor.state.ma.us/webfile/>.

3. *Get **workers' compensation insurance**.*

Massachusetts state law requires it. The state offers the Massachusetts Guide to Workers' Compensation at <http://www.mass.gov/dia/DESKSCAN/erguide.pdf>. For more information, contact your insurance provider or the state's Insurance Rating Bureau: (617) 439-9030.

4. *Learn about **minimum wage laws, poster requirements, and the family leave act**.*

The Massachusetts Department of Workforce Development offers plenty of information online: <http://www.mass.gov/dwd/otherr.htm>.

TIP: You may also want to register with the **Electronic Federal Tax Payment System**. Although it is not required, registering allows you to pay all of your federal taxes online. Go to <http://www.eftps.gov/> for more information.

Hiring

With every new hire:

1. *Check for a **Social Security Card**.*

If lacking one, the employee must submit an application, form SS-5, to the Social Security Administration. Find out more: <http://www.ssa.gov>.

2. *Submit a **W-4 form** for each new employee.*

This form determines how much of his or her wages should be withheld. Submit this form to the Internal Revenue Service. You may do so online: <http://www.irs.gov>.

3. *Complete a federal **Employee Eligibility Verification Form**.*

Do not submit this form to the government. You may dispose of this form a year after the employee's departure or three years after the hire, whichever is longer. Find the form, an I-9, at the U.S. Citizenship and Immigration Services website: <http://www.uscis.gov>.

NOTE: If your company has more than twenty-five employees, you must report all new hires to the state. You may do so online here: http://www.cse.state.ma.us/programs/newhire/nh_system.htm.

TIP: The Department of Workforce Development offers numerous hiring incentives and training grants. Find out more online: <http://www.detma.org/BSHome.htm>.

Ongoing Taxes

While an employer:

1. *Withhold federal income, Medicare and social security taxes.*
Use employees' W-4 forms, the IRS's Employer's Tax Guide, and the IRS's "withholding calculator." Find the latter two online: <http://www.irs.gov>.
 - a. Each quarter, report these withholdings with the employer's **quarterly federal tax return**, form 941. Find it at <http://www.irs.gov>.
2. *Pay the Federal Unemployment Tax.*
Unlike the taxes in the previous step, this tax is *not* withheld from employee paychecks. Employers pay it.
 - a. Annually, report and pay this tax by submitting the **Employer's Federal Unemployment Tax return**, form 941. Again, find it at <http://www.irs.gov>.
3. *Distribute W-2 forms to employees at the end of each year.*
Send copies of these wage-reporting forms to the Social Security Administration: <http://www.ssa.gov>.

NOTE: If employees collect more than \$20 per month in TIPS, these TIPS *must* be reported. Make sure employees complete form 4070: Employee's Report of TIPS to Employer, so that you can withhold employee income, social security, and employee Medicare tax on the employee's TIPS. Find form 4070 at <http://www.irs.gov>.
